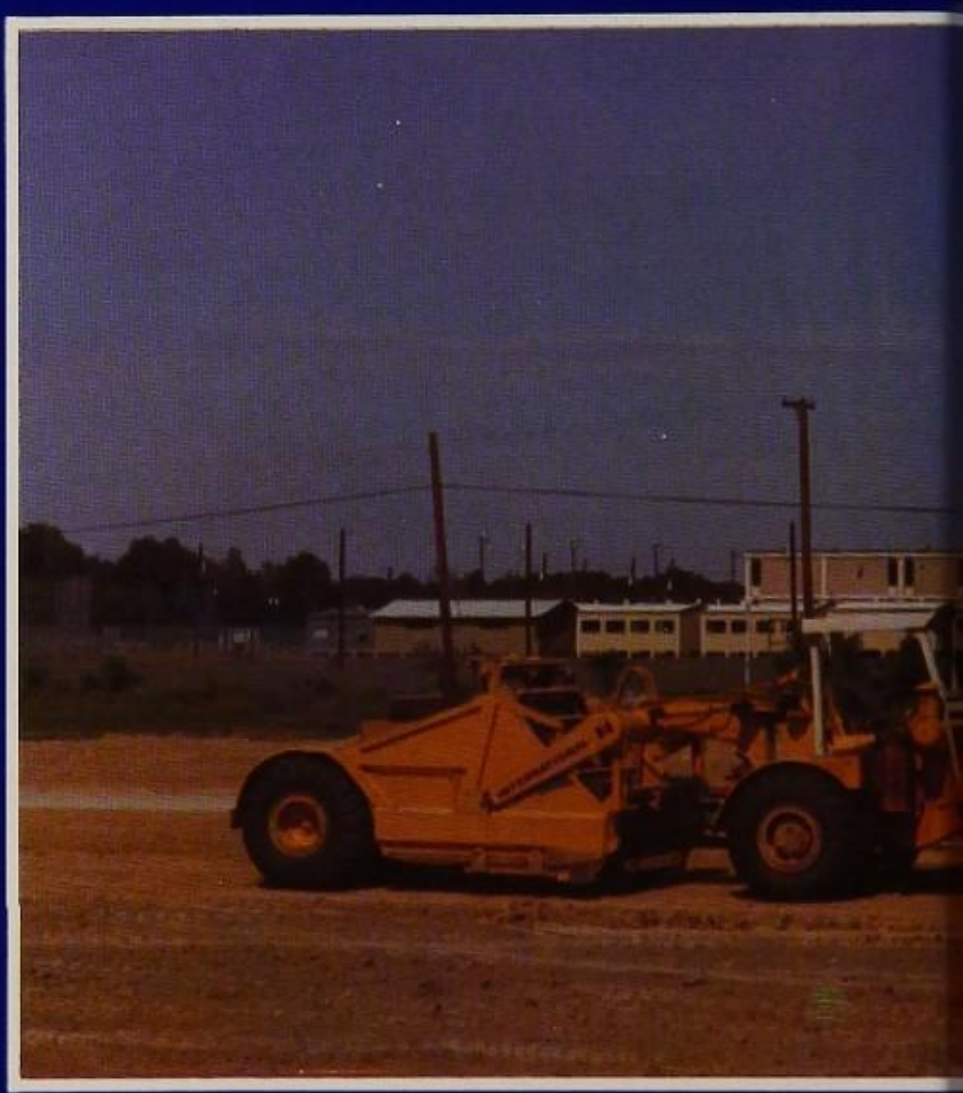
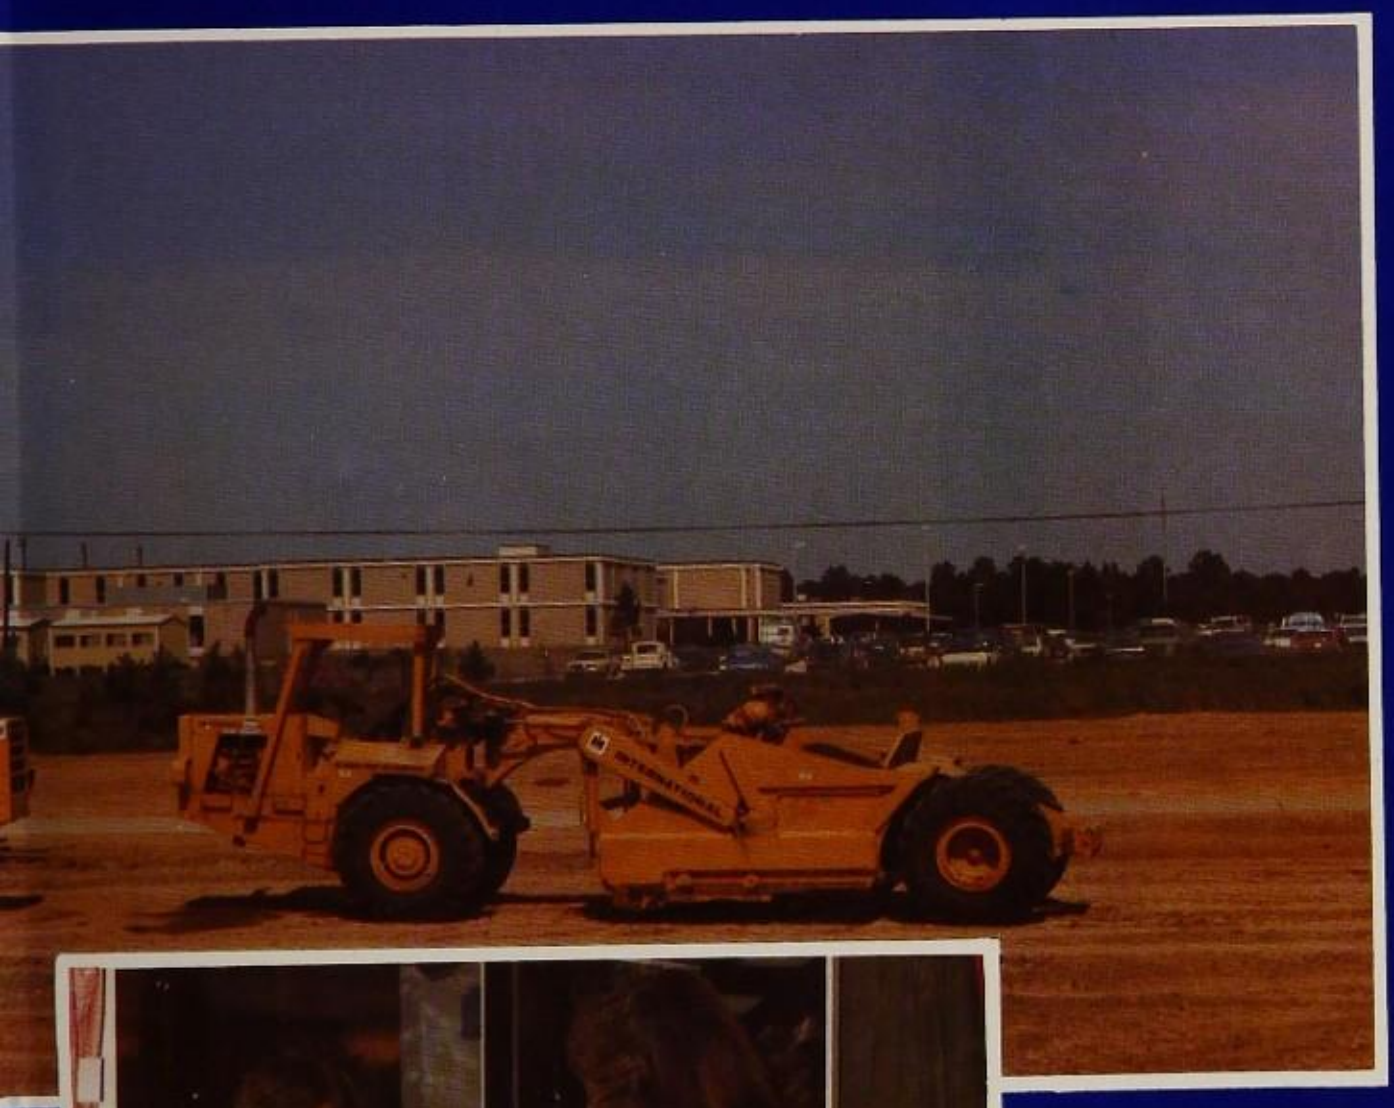
# 1979 — AN ACCUMULATION OF EVENTS

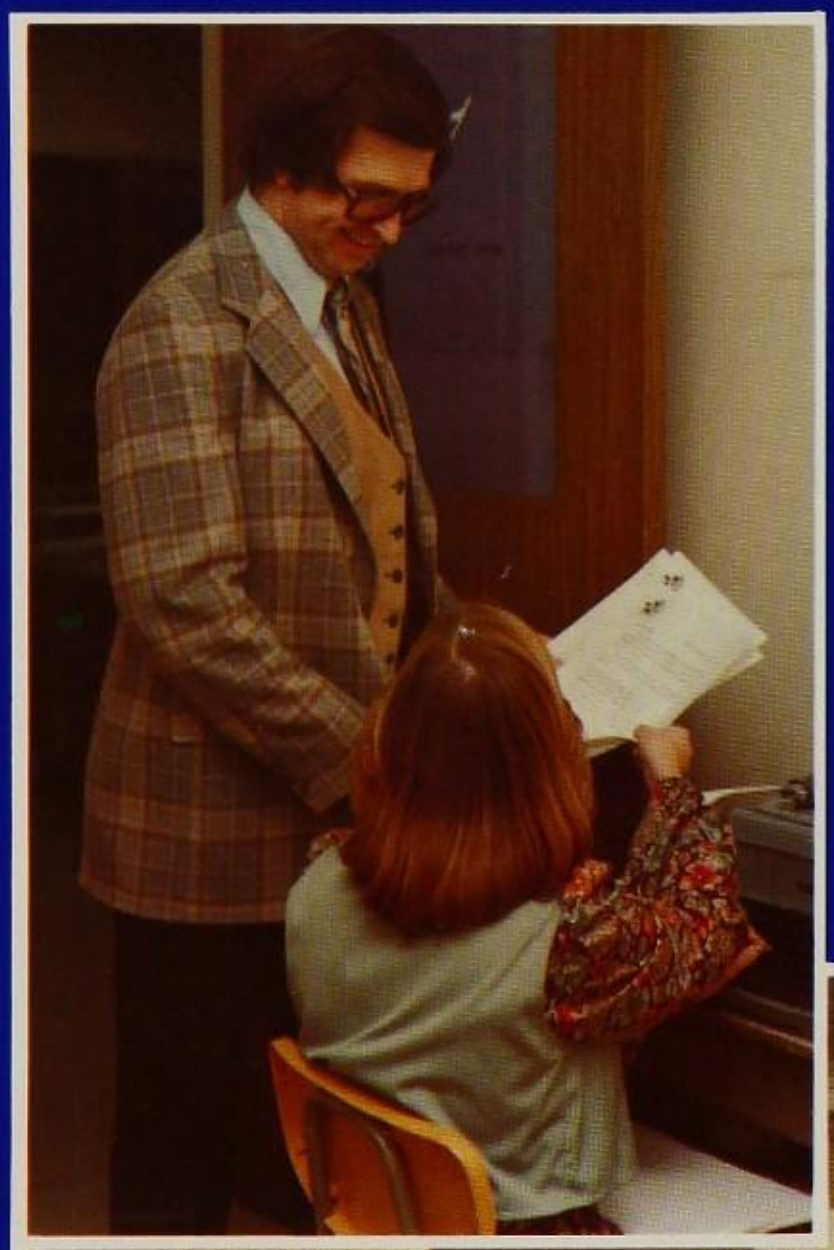
Many events have occurred this year which have affected our lives. World issues caught our attention momentarily, but national and local events have had the most impact. "Disco Fever" affected the way we dressed, while our preoccupation with space and alien beings was evident right down to the toys we bought and the programs we watched. The problem of overcrowding at Southwood, discussed and dismissed so many times previously, finally brought the long anticipated situations which demanded creative thought in bringing about solutions. As more and more people moved to Southern Hills and with the planned building of a subdivision adjacent to Southwood a reality, our social and cultural environments underwent still further change. We were a generation influenced in some way by a multi-faceted environment.

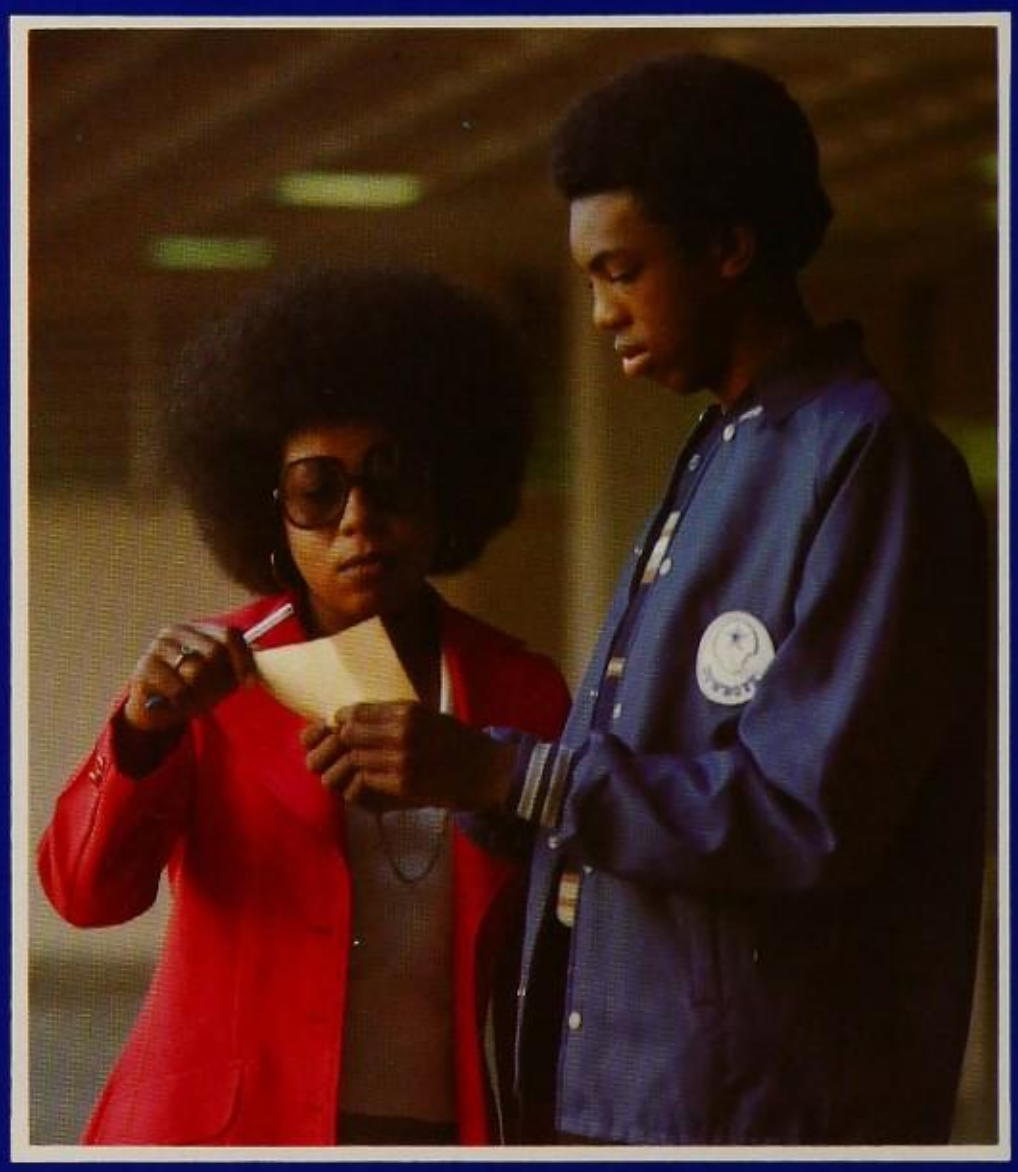


# THAT AFFECTED ALL OF US.

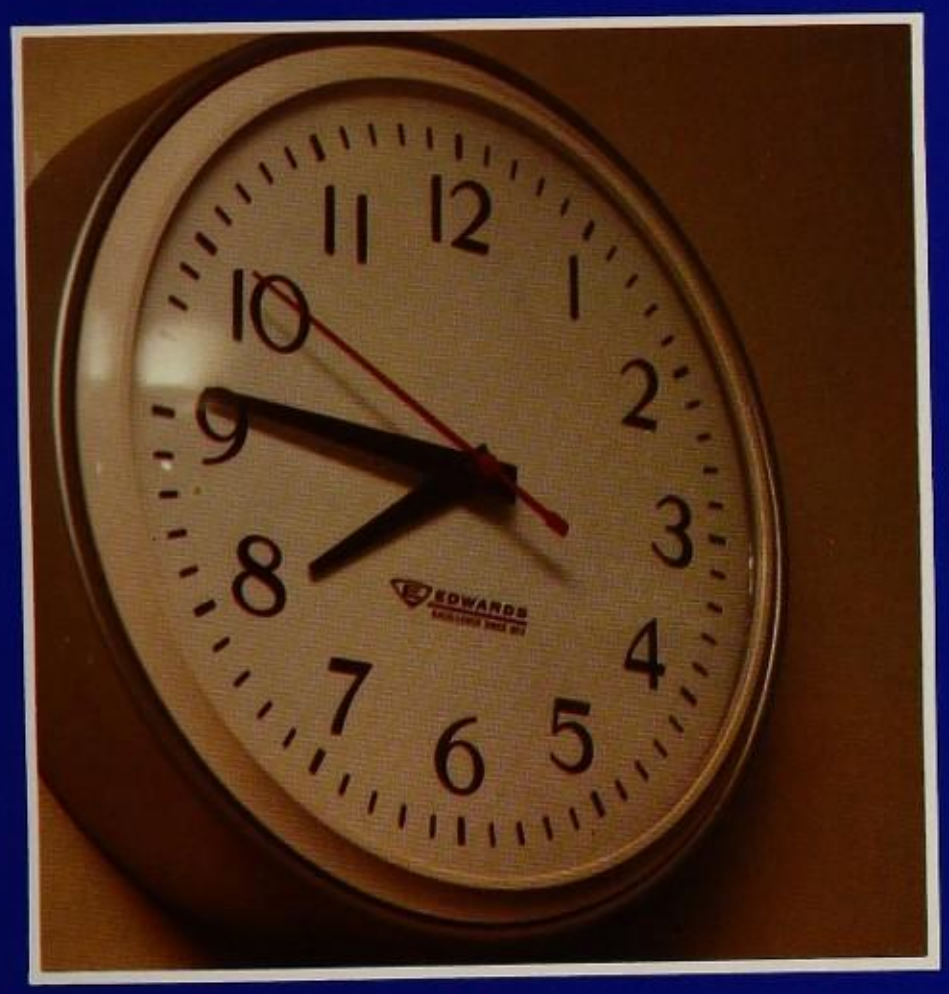


# TIME BROUGHT BOTH LARGE AND

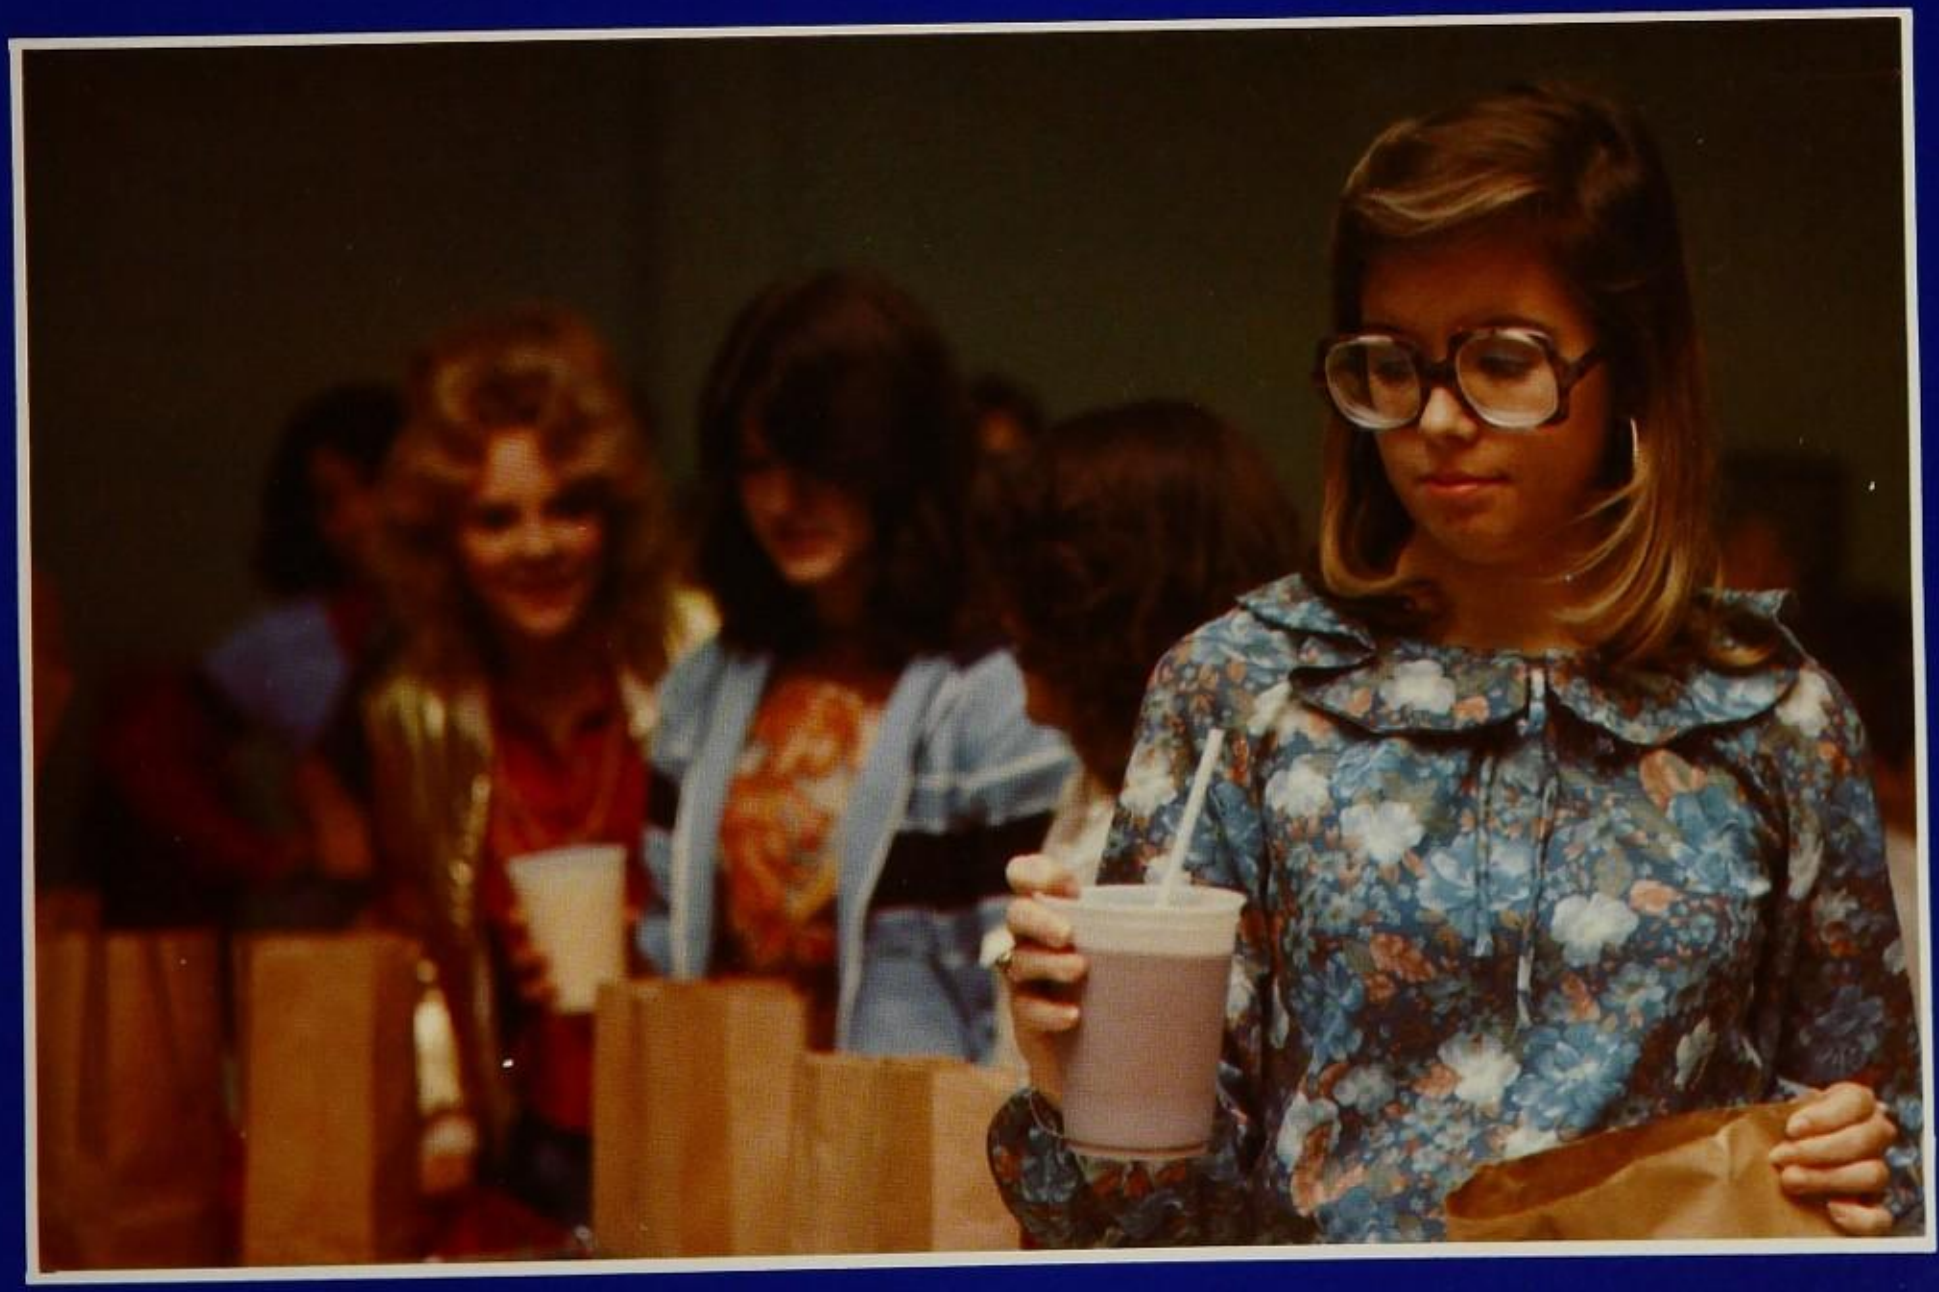




# SMALL CHANGES TO SOUTHWOOD

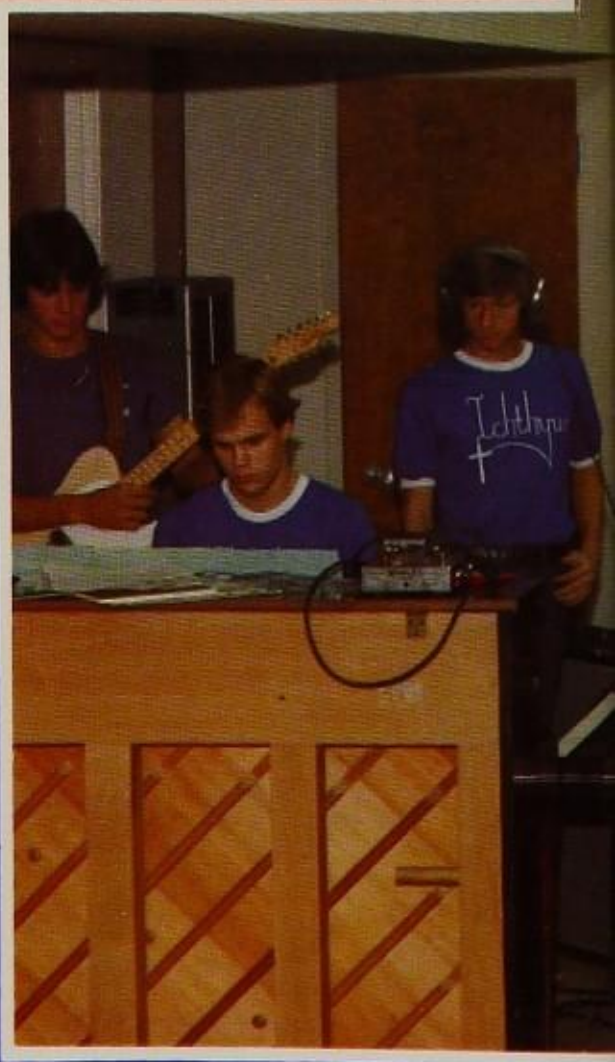


To alleviate a shortage of buses in Caddo Parish, most high schools began at 7:45, while at Southwood in particular there were even more changes. Paraprofessionals were brought in to patrol the school, regulating the flow of students by insisting that they be accompanied with a teacher issued hall pass. The counselors were relocated in the learning center to make room for the new administrators, including an activities director. While in the cafeteria, milk shakes and sack lunches were a welcome change.

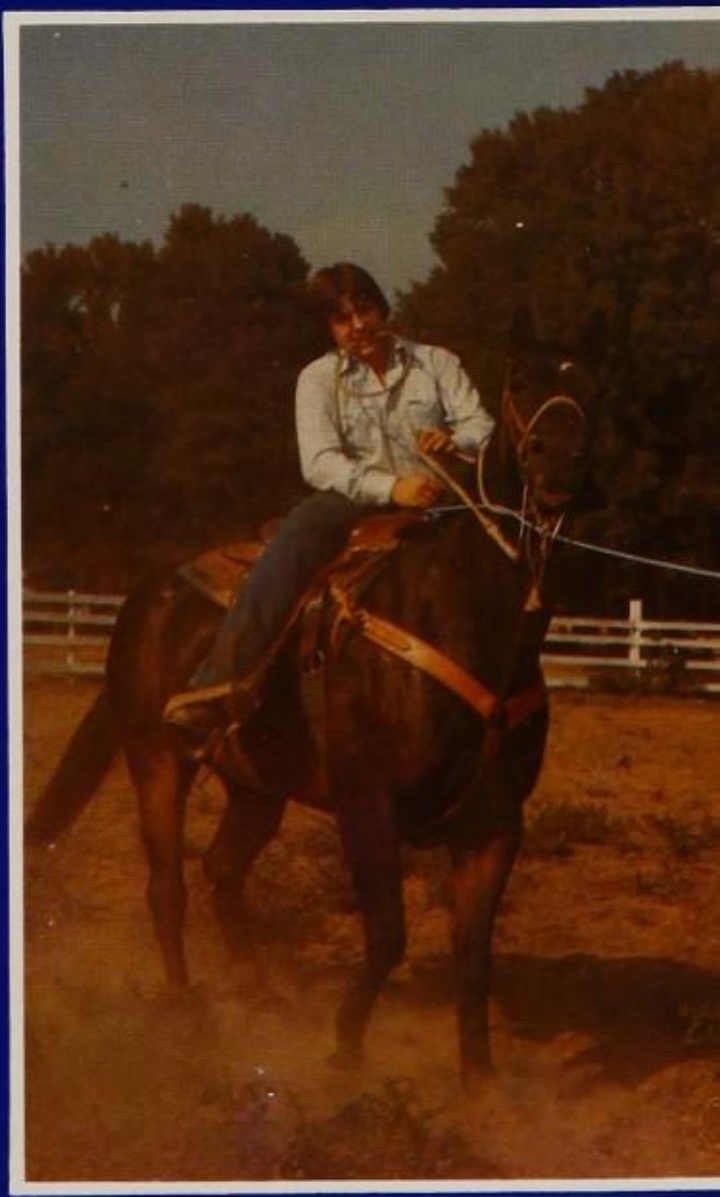


# RELAXATION MEANT TIME ALONE

With the growing pressure of the late 70's our spare time became more important. Time with friends, at movies, eating out or just being together was looked for, but solitude was also necessary. Time alone was cheristed as we expressed our most indivudal traits and became more in touch with ourselves allowing us to give more of ourselves to our friends and making our lives more meaningful.



# OR SHARED WITH FRIENDS.

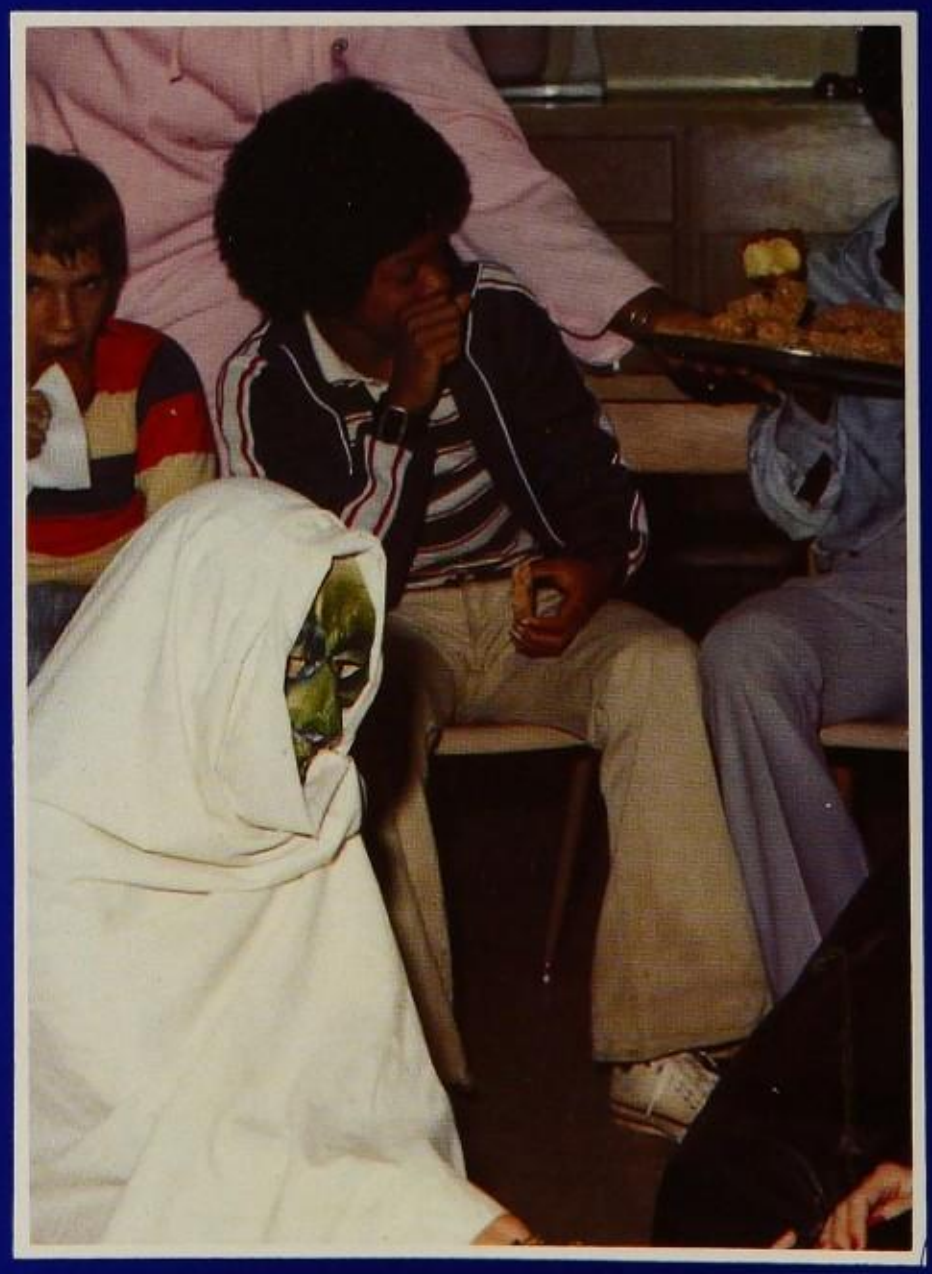


# COWBOY SPIRIT REMAINED

# UNTOUCHED BY TIME

One thing, that irrepressible cowboy spirit, has survived both time and change at Southwood. It was evident in every activity that was held. Pep rallies, poster parties and football games were not the only expression of that spirit. It was seen in the involvement of clubs in the school and the interest of people in having a say in their school by running for office and by voting in elections. All this and more combined to help make this as spirited a year as ever in the true tradition of the Cowboys.

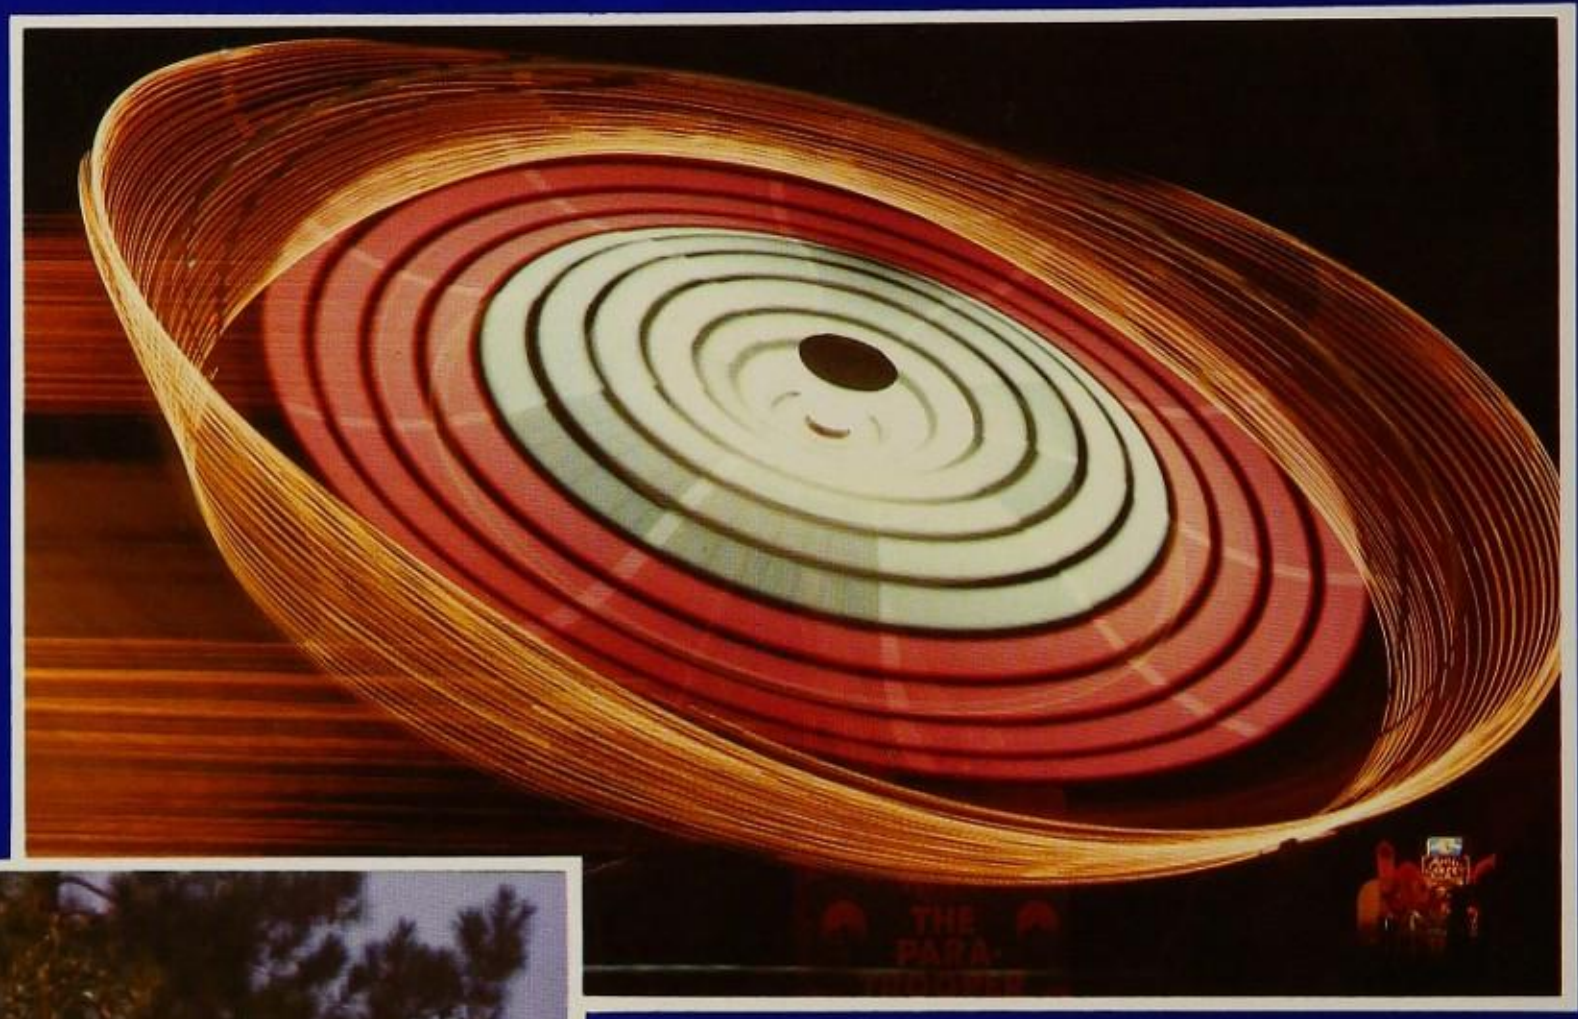
# INVOLVEMENT MEANT TIME

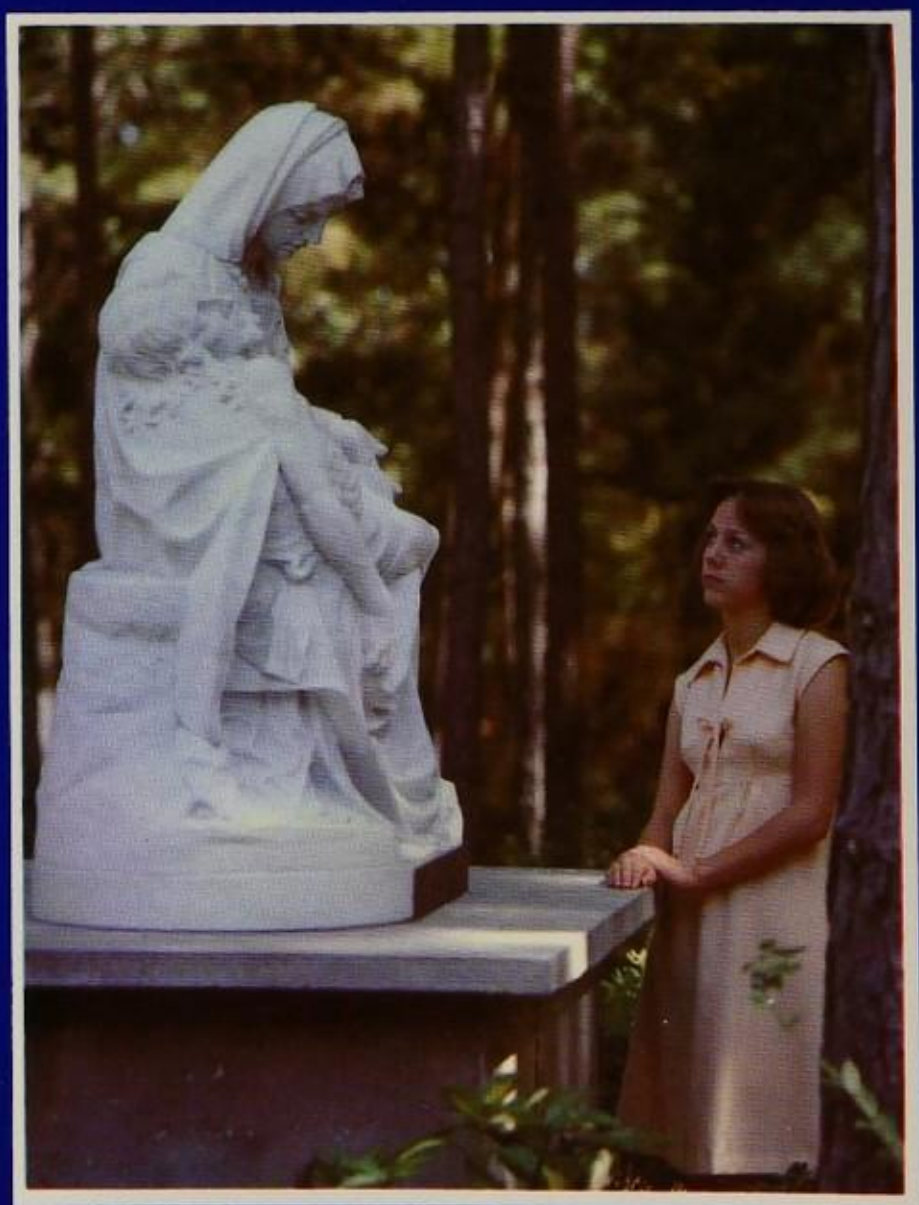


# SHARED WITH OTHERS.

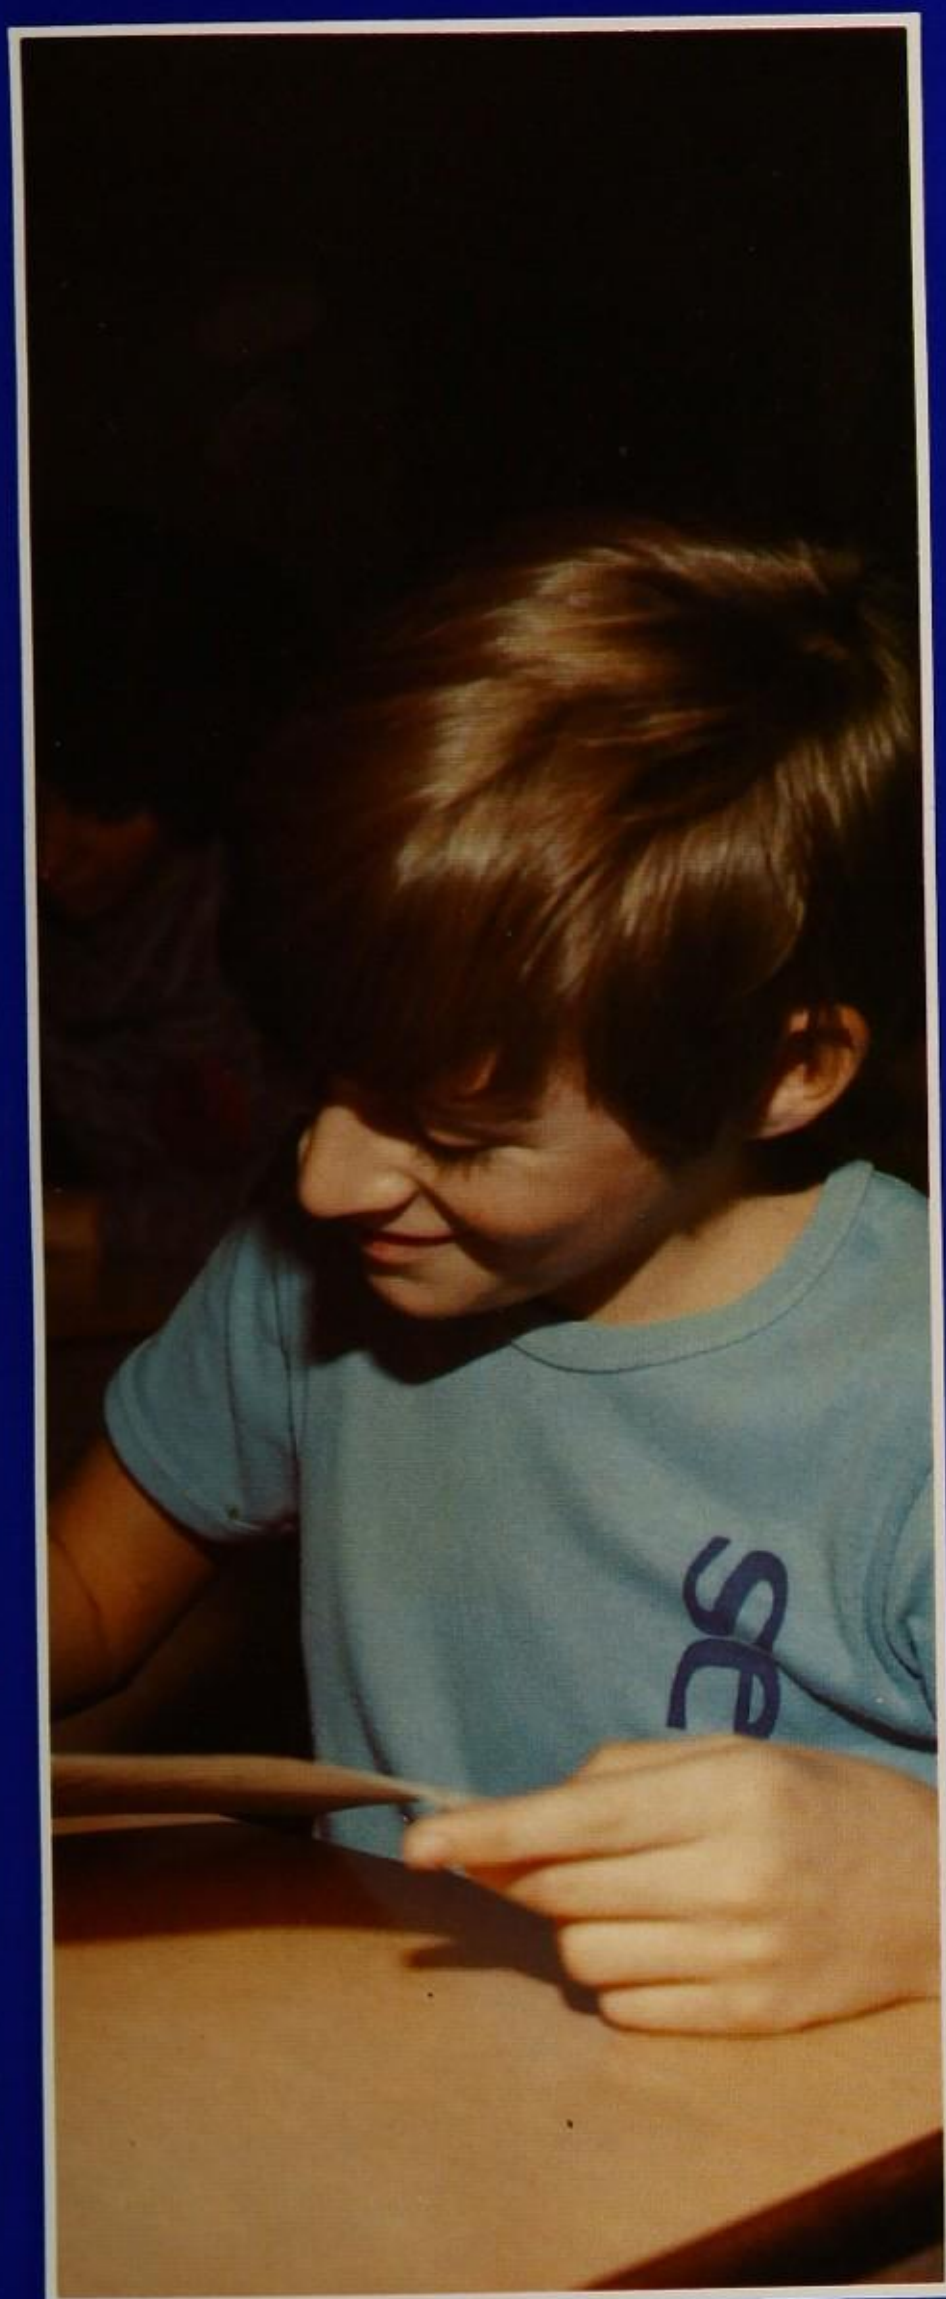
Southwood students were quite active and involved in both school and extracurricular activities, but some students added yet another dimension to their busy lives. They gave their time to others, whether working to earn money, to help someone in trouble, or just to achieve satisfaction through giving time to others less fortunate than they. Enrichment in many forms came as the natural result of such activity.

# THERE WAS NEVER





# ENOUGH TIME . . .



It was a year of both joy and sorrow: filled with the anxiety of an unexpected test, the departure of a good friend, or just the usual ups and downs of teenage life. The help of a special friend or the presence of a guiding force helped to carry us over the bumps and showed us the necessity of both in molding us into more complete individuals.

# TIME TO REVIEW THE PAST WHILE

As the end of an era drew near and the beginning of a new era was in sight we re-examined our values, looking to the men and women of the past for guidence. We prepared ourselves for the future, whether it was college or just the selection of a senior ring. The events of the past made a mark on us that we will always remember and always be grateful for.

# Mr. and Miss Southwood

Terri Lee and Fletcher Manshack were selected as Mr. and Miss Southwood for the 1978-79 year.

Terri enjoyed being a member of Key Club, Student Council, and Football Program Ad Staff. She also enjoyed heading up our cheerleaders, the "Silly Seven." Terri filled her spare time dancing, skiing, and spending time at the lake. She planned to attend Northeast and major in journalism after graduation.

Selected as Mr. Southwood was Fletcher Manshack, an important figure at Southwood in sports. Being sports minded, Fletcher spent many hours devoted to track and football. He was honored as a member of All-District, All-City, and All-Parish — for his outstanding qualities and talents. After finishing high school, Fletcher looked forward to going to college.

# Eric Added Spirit

Southwood was known for its tremendous spirit. We were grateful to have our Southwood Cowboy, Eric Davis, lead us in that spirit. Even though cheering was a vital part of Eric's school life, FCA, Industrial Arts, and Key Club were priorities in his four years of high school. After school Eric enjoyed spending time riding motorcycles, fixing small gas and electric engines, swimming, playing tennis, and buying and selling cars.

# 1978 Cowboy Football

Much of the Cowboys' success this year was due to the inspiration of a fine coaching staff. Each coach provided encouragement and support through the season. Among these are: Head Coach Robert Burton, Edwin Turner, Ron Worthen, James Cummings, Troy Willis, and Grover Colvin. They led SHS to the Bi-District playoffs and an all around outstanding year.

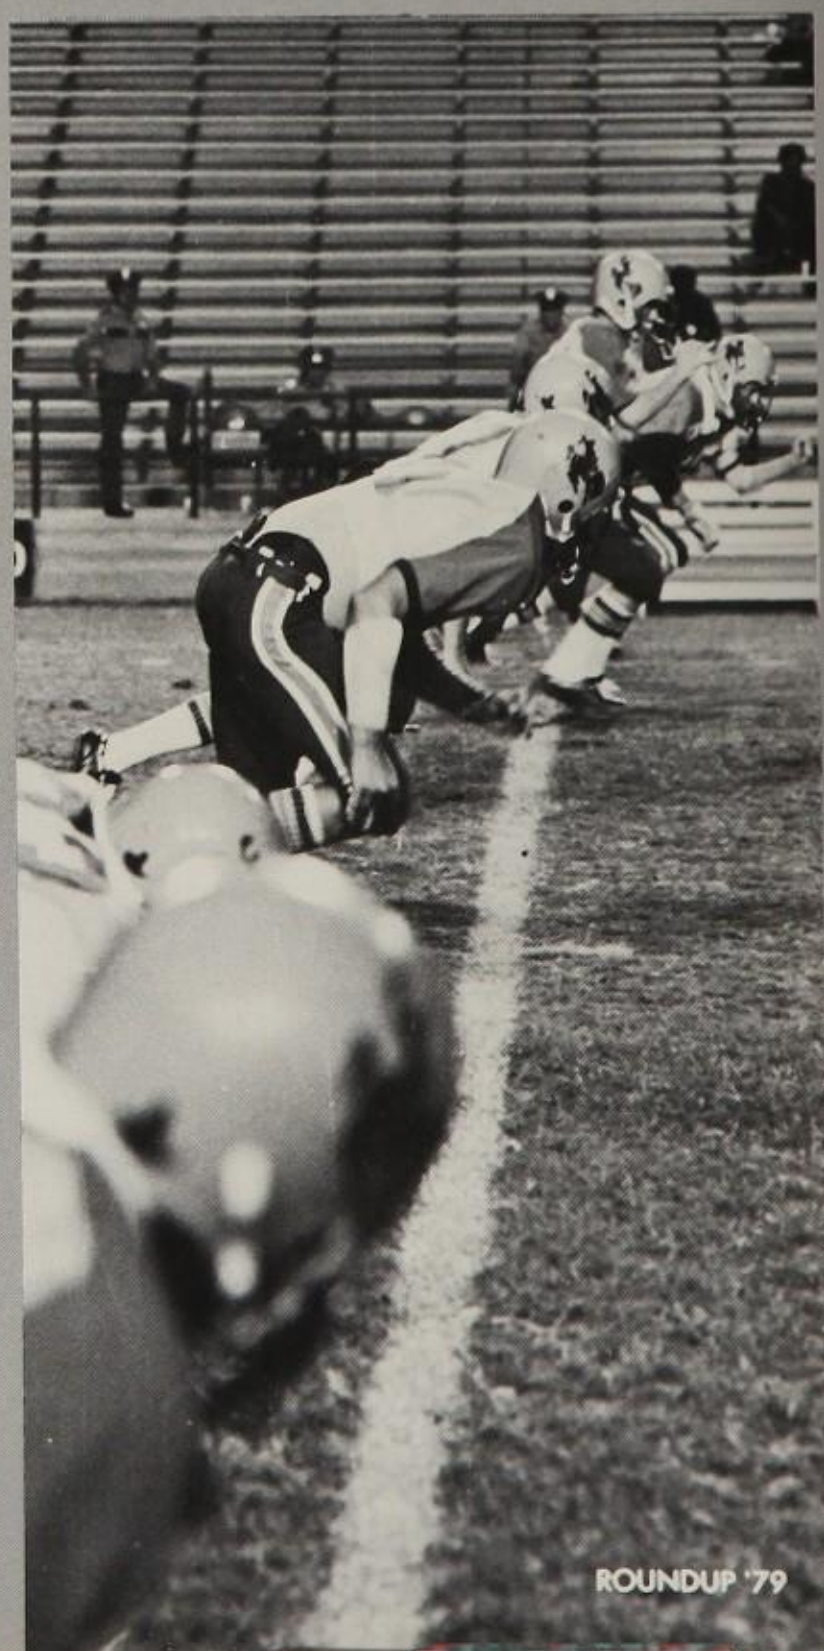
In their first game of the new season, the Cowboys justified their pre-season ranking as the team to beat in District 1-AAAA with a convincing 21-6 win over Parkway. Southwood outrushed the Panthers, 239-67 and quarterback David Brewer passed for an additional 171 yards. The only troubles that the Cowboys had were an unbelievable number of penalties that resulted in three touchdowns being called back. Southwood's defense, thought to be quite weak compared to last year's team, proved themselves quite capable of stopping their opponents, forcing five turnovers and holding Parkway to 101 total yards.

Cowboys zoom by Parkway

# Natchitoches

The Southwood Cowboys had everything go their way in the second game of the season, a 56-0 massacre of the Natchitoches-Central Chiefs. The Cowboys scored 42 points in the first half and the second string came in to add 12 more before the game became history. David Brewer passed for three touchdowns and Fletcher Manshack contributed three more on runs of two, four, and three yards. John Owen scored the other two touchdowns, one a 40 yard punt return.

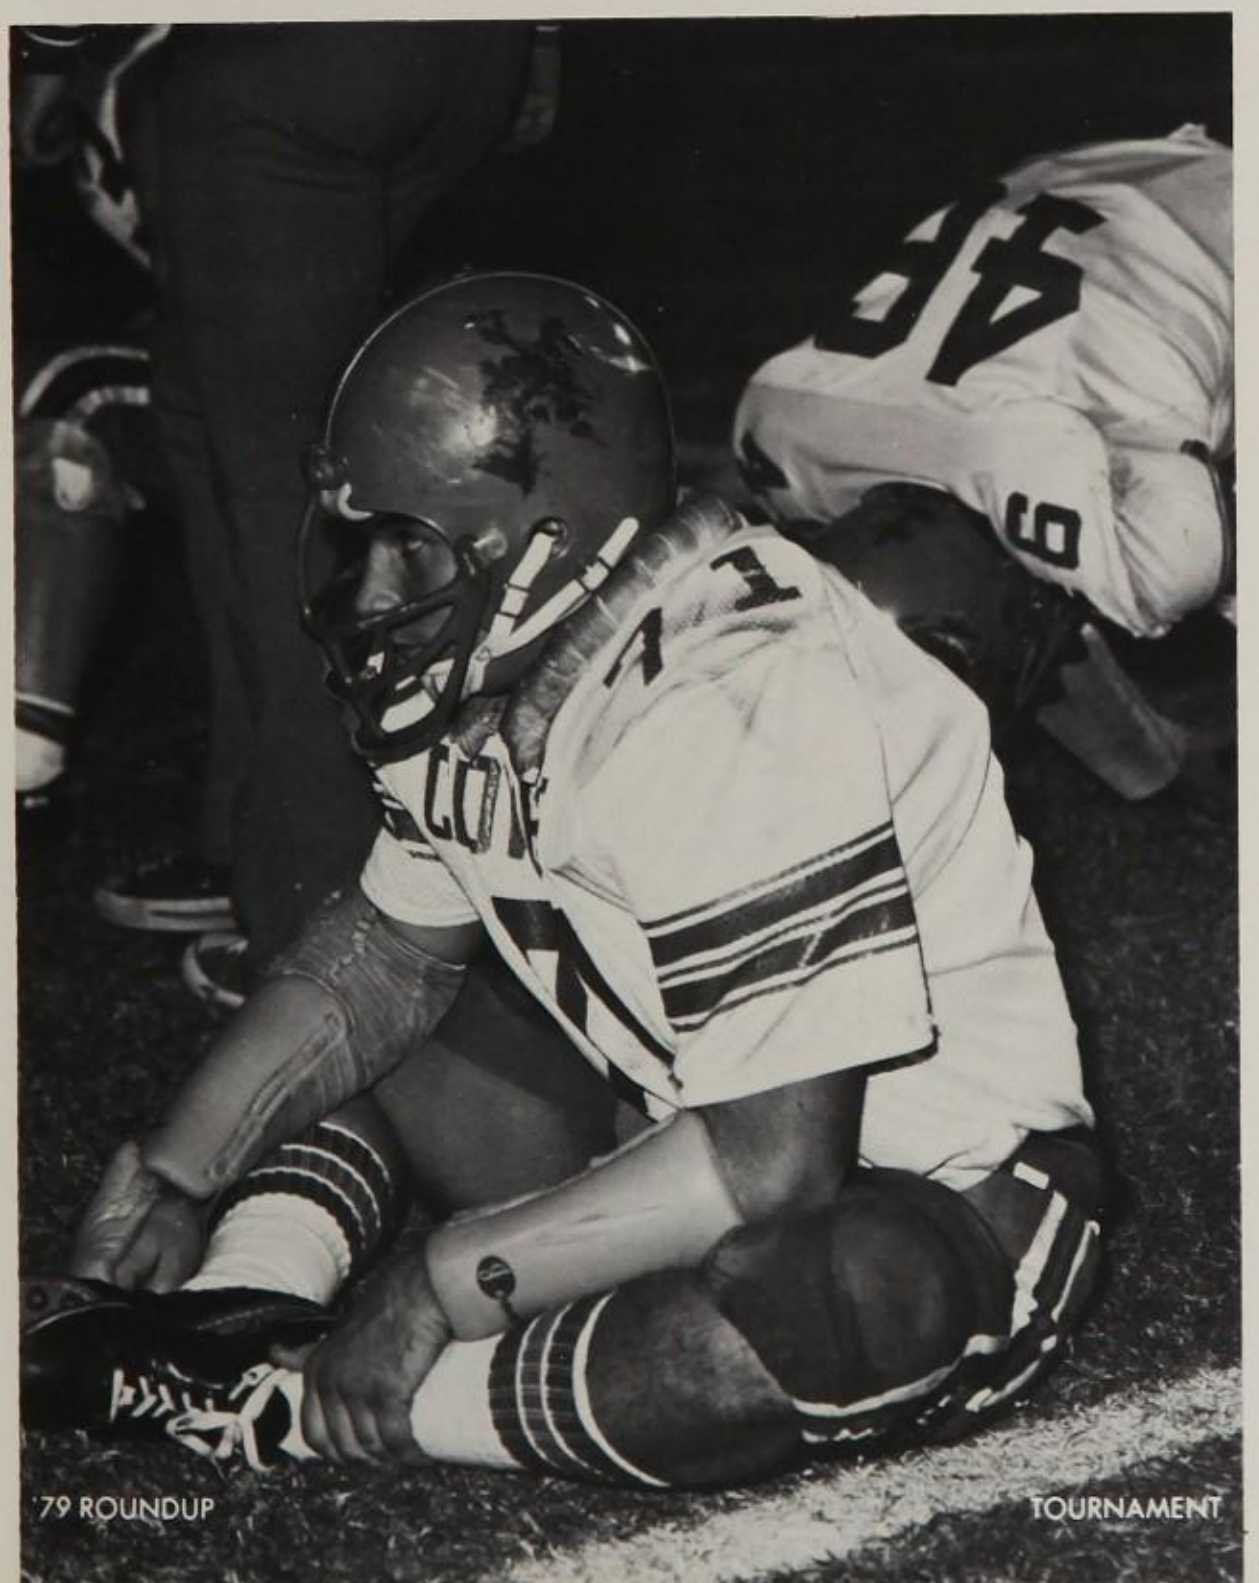


Southwood's third victory was not assured until the last minutes of the game when Ted Lennard ran 36 yards around the right end with a pitchout. Upset-minded Captain Shreve held the lead twice, once with only 10 minutes left to play. But ninth-ranked Cowboys finally found their offense, scoring two touchdowns in the last 13 minutes of play, to take a 21-10 victory over Shreve. Southwood's backfield came alive in the second half, helping the Cowboys control the ball for all but four plays in the last 15 minutes of play.

Southwood moved the ball well on all its drives and opened up the game with a touchdown, which resulted in the temporary loss of tailback Fletcher Manshack. Mickey Faulkinberry filled in, scoring for the Cowboys. Ted Lennard and John Owen also contributed to the victory.

# Haughton

The Cowboys were upset by the No. 2 AAA for their first loss in five games. Mickey Faulkinberry scored the only touchdown for Southwood. A 24-yard run by Ted Lennard and a 25-yard pass to Larry Gettsinger set up the score. The Cowboys just couldn't get things together against Haughton's strong team.

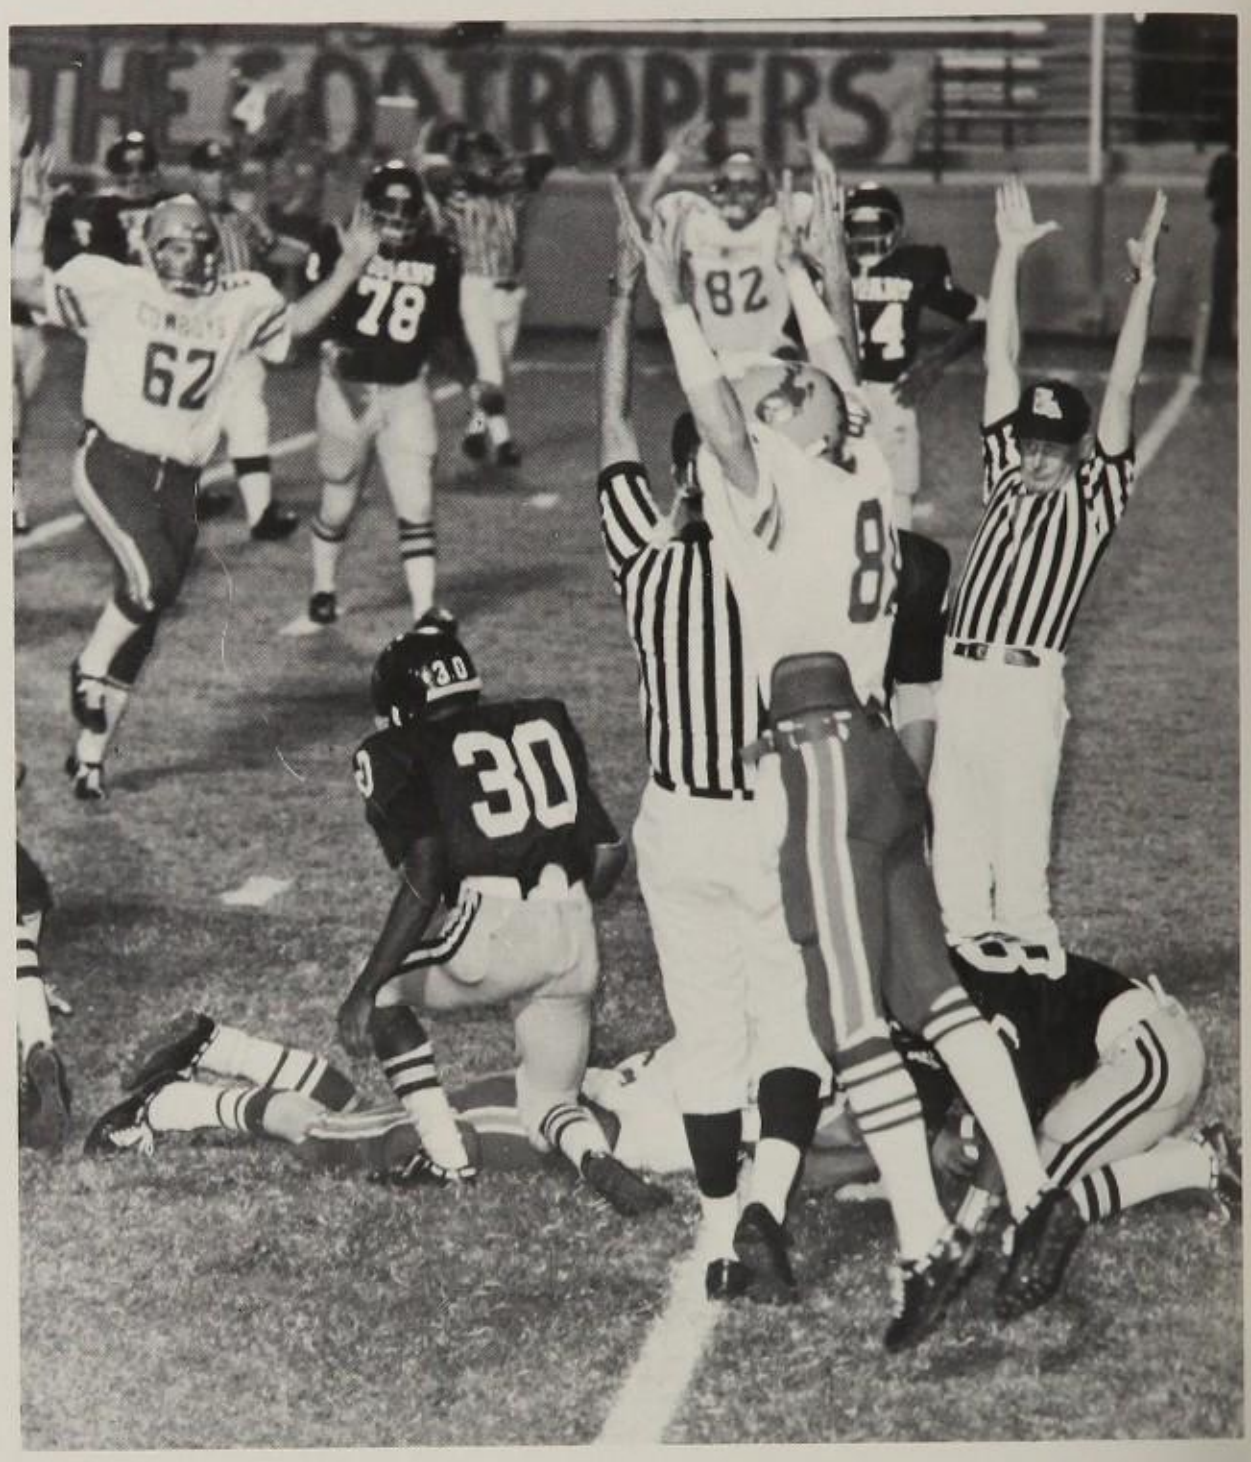


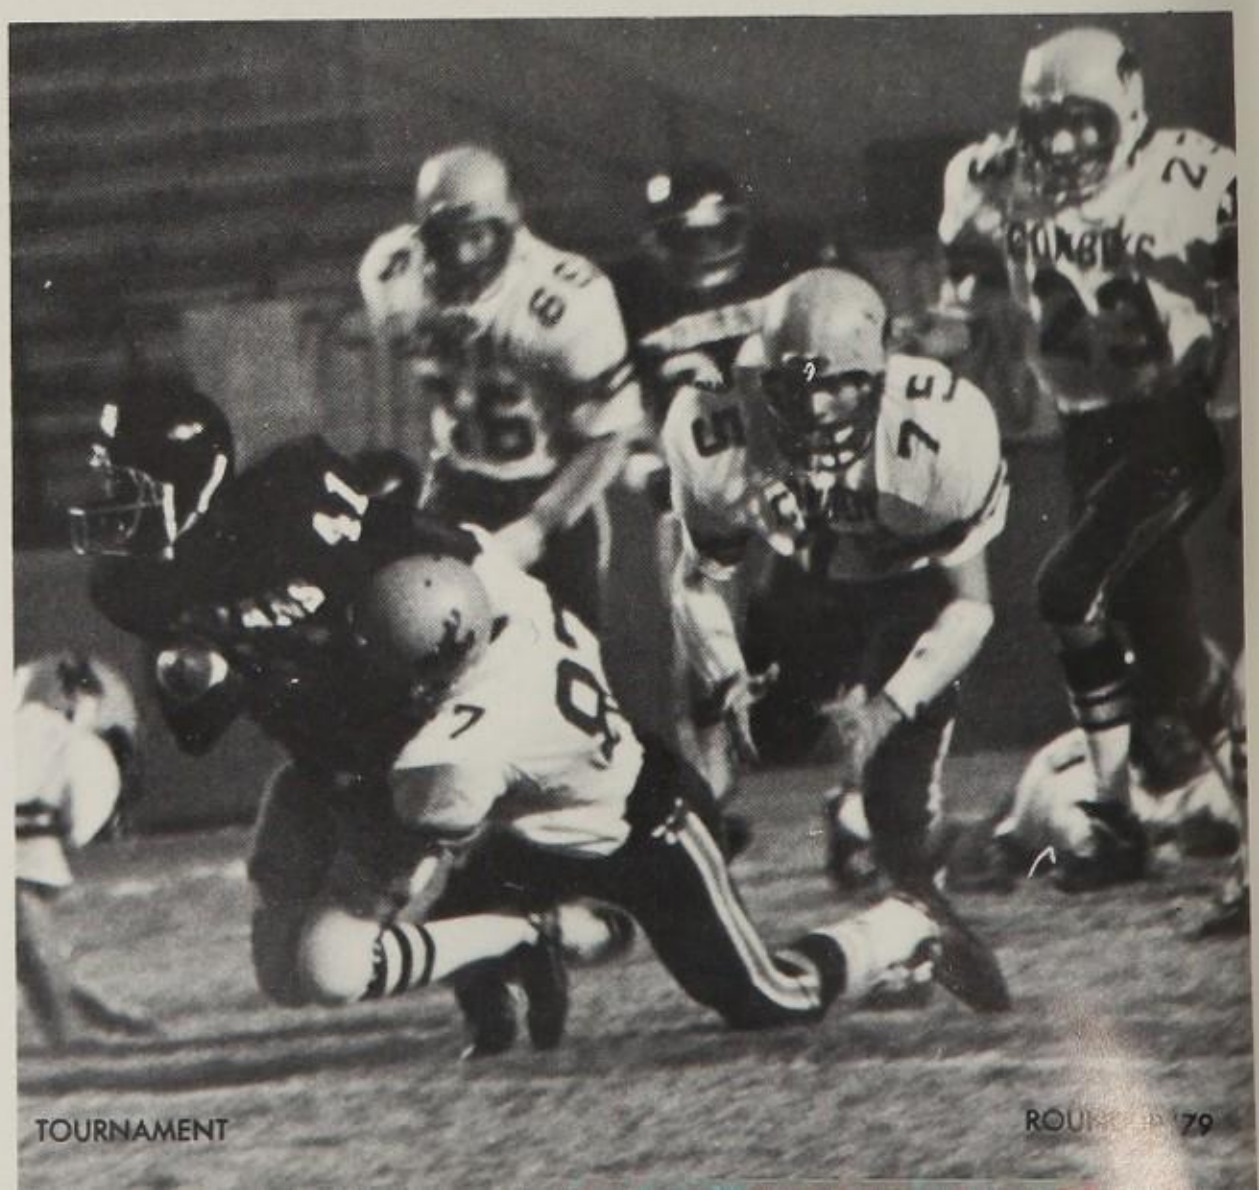
# Huntington

The offense and defense pulled together in an outstanding team effort to flatten Huntington 47-0 in the only Saturday afternoon game of the season. While the defense recovered several fumbles, the offense set three school records.

The Cowboys upset Byrd in the 2nd half of the game. Trailing 8-0 at halftime, David Brewer came back in the 3rd quarter with two touchdown strikes to fullback Ted Lennard. Greg Cates, scoring a two point conversion, and Mark Rivers were key defensive players. It was an outstanding team effort.

Southwood had trailed 28-14 going into the final period, but scored twice only to miss a two-point conversion try falling a few yards short. The Cowboys moved down the field well, but a Fair Park defensive player intercepted on the last play and time ran out.

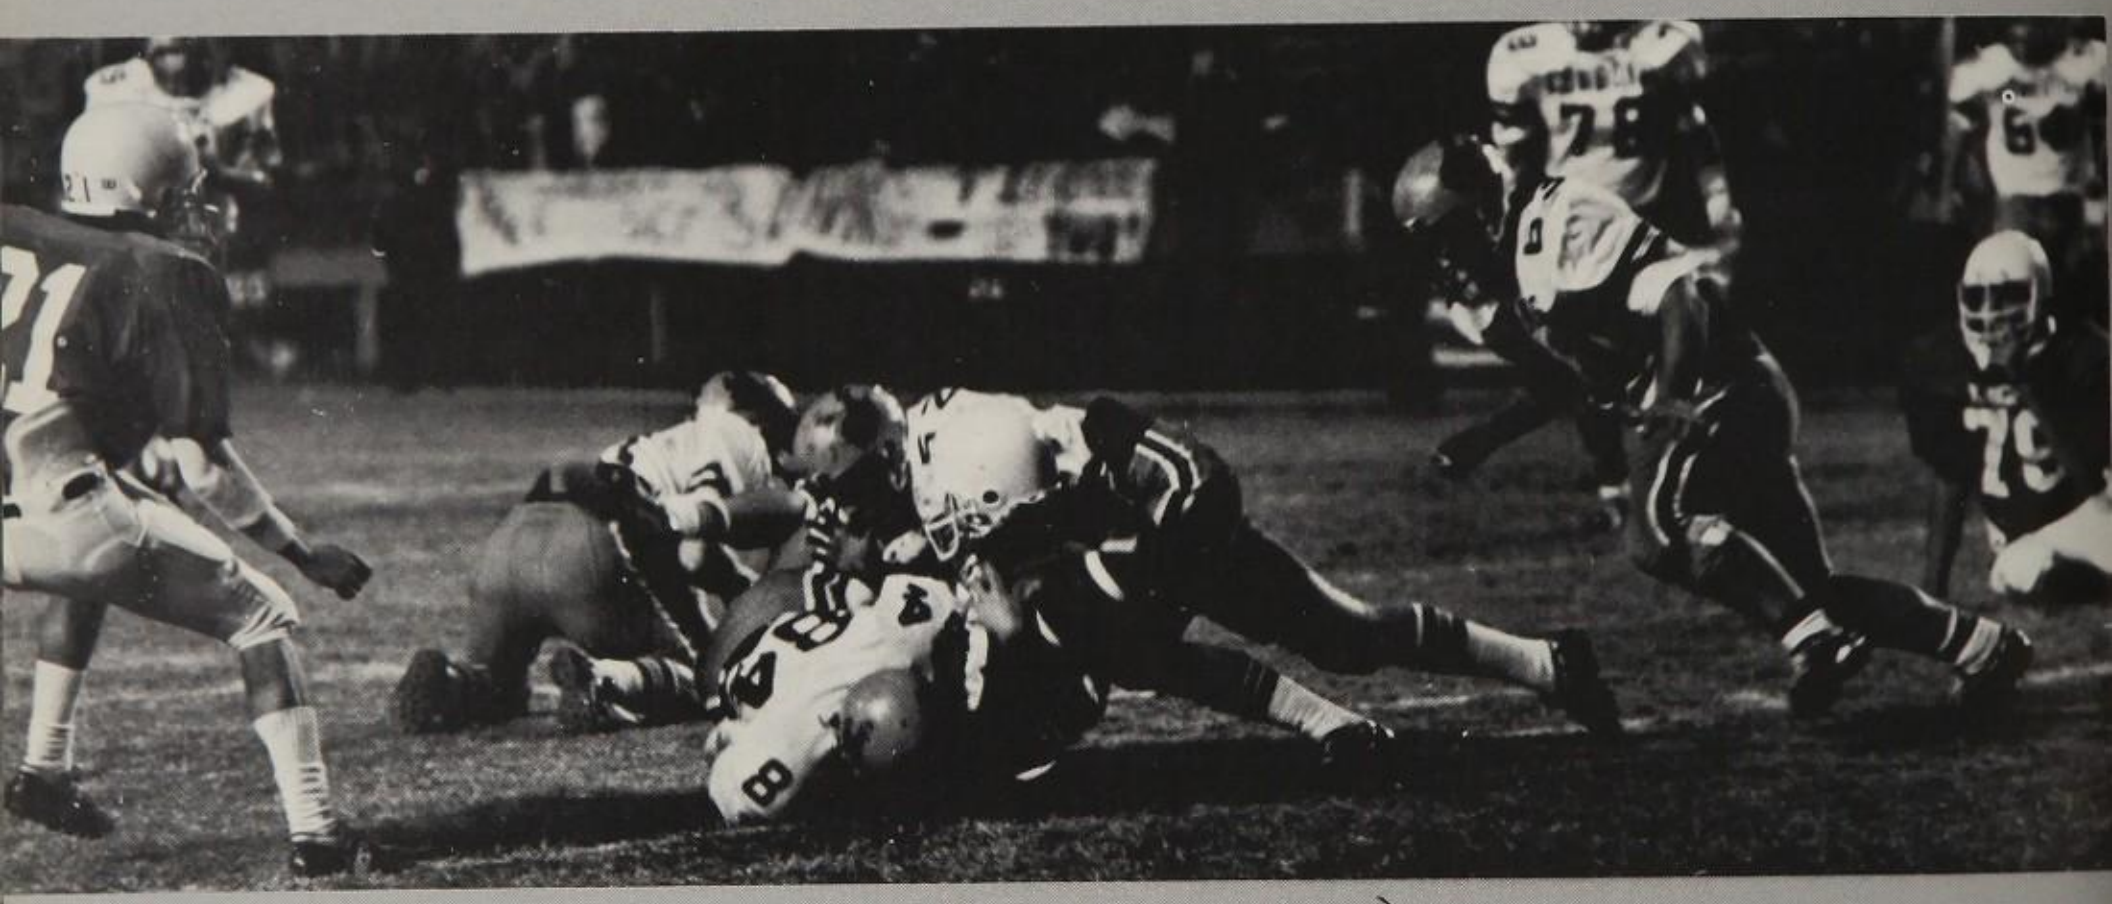




The Cowboys went to work the first time they had possession, driving 64 yards in seven plays. They looked unstoppable as they totaled 314 yards rushing. BTW had two chances to score, but these drives were stopped by excellent defensive plays. This defensive effort led to Southwood's third shutout of the season.

# Woodlawn

In the last game of the regular season Big Orange shut out their chief rival Woodlawn by a score of 28-0. The Cowboys scored every quarter and walked off with first place honors in District 1-AAAA. Mickey Faulkinberry and Ted Lennard scored two touchdowns apiece. This victory raised the Southwood Woodlawn series to 5-3-1.



SHS didn't give up trailing 14-0. Southwood came back on the Vikings when they scored a touchdown shortly before the half. They came within two points in the third period when Manshack scored from the 1. The Cowboys ended up at 8-3 for the season.

# Baseball

The Southwood Cowboy Baseball team was a young one this year. Led by Coach Ed Hartfield and Coach Cowdin, the baseballers advanced to a tie for third place in the District. The majority of the team will be returning next year, giving the Pokes an experienced team, which will have a good chance of winning District.

The Pokes finished with the 5-4 victory over the Woodlawn Knights. It was in the third inning that the Cowboys came alive. They had five singles to bring in four runs. Ted Lennard provided the Pokes with a two-for-three batting performance and two RBI's. Keith Yeager was the victorious pitcher in this game.

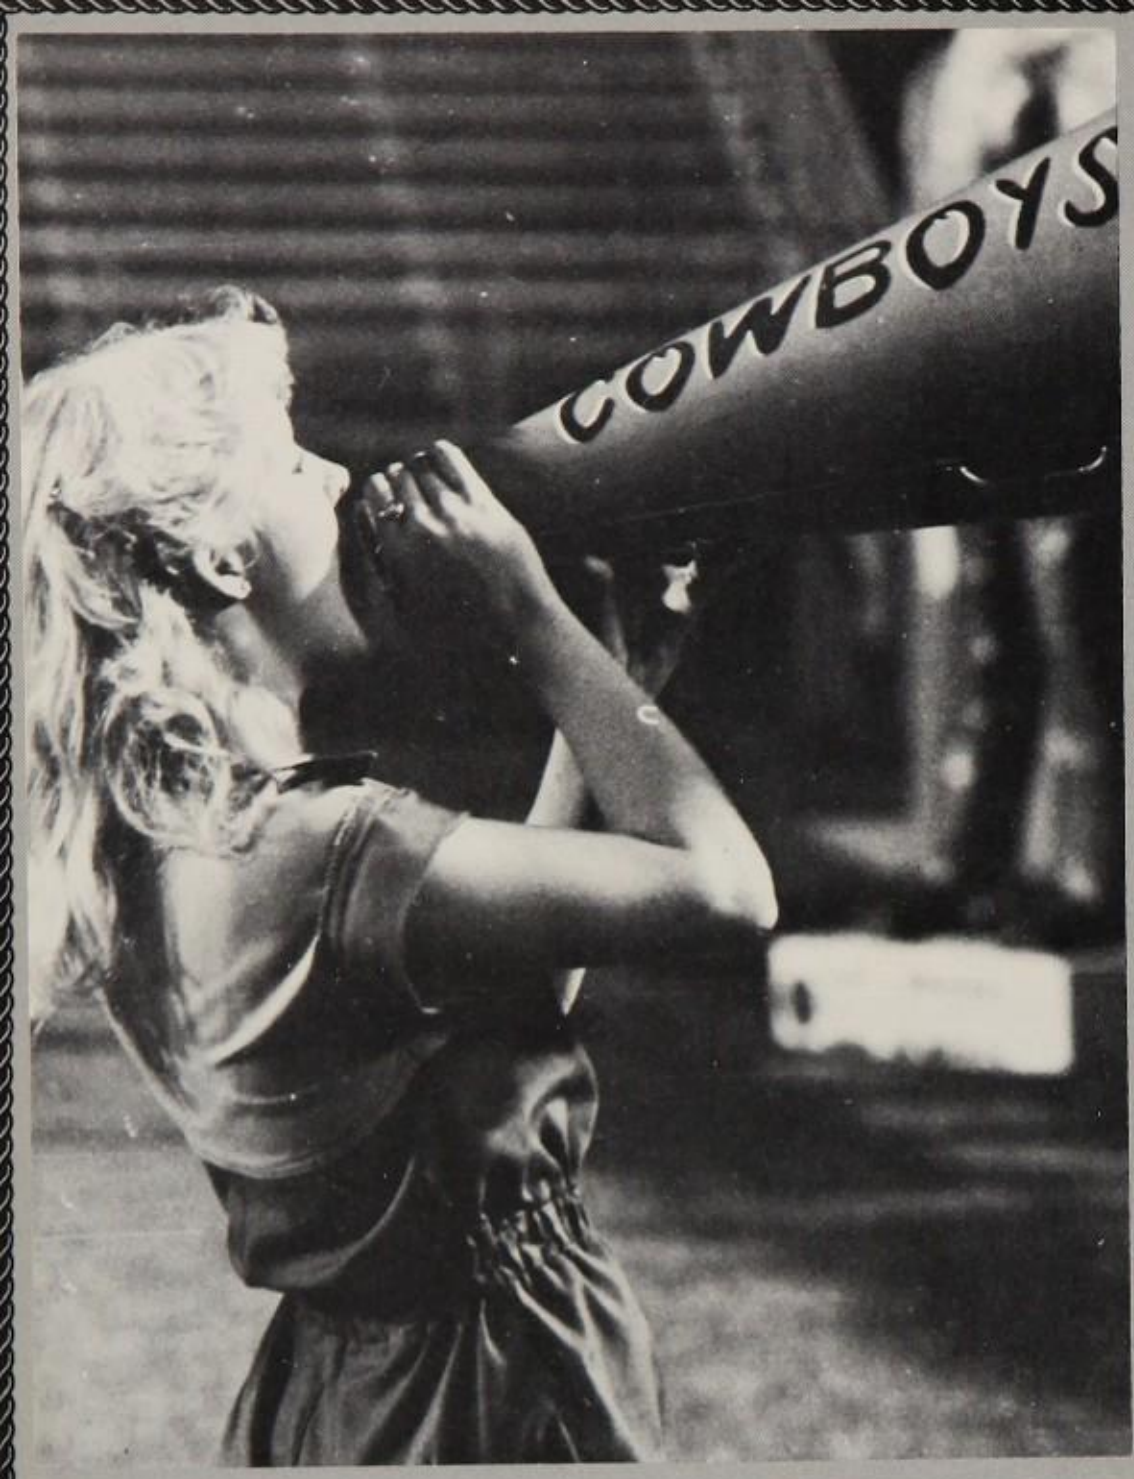
The "Silly Seven" were the spirit leaders at Southwood for the 78-79 year. While attending a training program at SMU, the cheerleaders won several awards including the supersquad ribbon and the coveted Spirit Stick. After returning home, the cheerleaders worked with their new sponsor, Mrs. Mitchell, to come up with such memorable cheers as "How funky is your chicken?", "Down by the River", and "Had a little rooster". After winning the Southpark Mall Cheerleading Contest, it was evident that the Silly Seven were the best cheerleaders in the area. Other activities for the year included selling football cushions, spirit ribbons, and cheering at basketball games.



This year the cheerleaders showed spirit, enthusiasm, and complete devotion for our school. Top left: Cheryle McCullen. The Silver Spurs enjoyed performing at football half times. The audience was thrilled by their various routines and unique style. They combined jazz props, precision movements, and their well known high kicks to provide outstanding entertainment.

Nancy Gephardt is one of the most active teachers at Southwood this year. After fulfilling her regular duties as a teacher she ties up much of her free time to sponsor two very busy groups of girls — Z club and the Silver Spurs.

Choreography can always increase in interest and emphasis by the use of costumes or outfits. This is the varied wardrobe any Silver Spur may proudly display at school, during performances or simply while relaxing.

Much effort goes into coordinating dance movements, music and costumes but the results, as seen here, are worth it.

# Chapparrelles

"Go Big Orange!" — This and several other enthusiastic yells echoed across the football field this year as the world's largest pep squad cheered its team. The Southwood Chapparrelles were led this year by Marshall, Amy Hill and Deputy Marshall, Debbie Keller along with the guidance of Mrs. Betty Jordan, their sponsor. This year the Chapparrelles formed the traditional cowboy boot, and other such shapes as a cow's head, a cactus, and the words Orange Crush.

# Roundup Editorial Staff

The Roundup Editorial Staff, sponsored by Mrs. Nina Morrison and Mr. E. A. Wilson, spent many hours in creating a record of the past year. The staff consisted of seventeen students who were selected at the end of the school year by the sponsors and the current staff. Thirteen of the members attended a workshop at USL and won a trophy for a superior planned yearbook.

# Roundup Circulation Staff

The purpose of this staff was to promote the sale of the yearbook. The staff also had the responsibility of billing the businesses that bought ads during the summer. Circulation members were chosen during the spring of the previous year after submitting applications to Miss Jane Jordan, the staff sponsor. In May a copy of the ROUNDUP was delivered to each person who had purchased a subscription.

# Lariat Ad Staff

Along with their sponsor, Mrs. Hadwin, the Lariat Ad Staff helped make it possible for the editorial staff to publish the newspaper. Any student with a 2.0 grade average and a desire to sell at least $100 in ads to various businesses was eligible to be on the staff.

A great deal of time and effort went into the making of this year's SHS football program. The '78-'79 program ad staff, selected by last year's members, not only sold ads to pay for the program, but also sold copies of it during school and at all home games. The eight girls who sold the largest number of ads were chosen as managers. These eight girls worked with their sponsor, Mrs. Sandra Hadwin, in planning the program's layout and in keeping up with the advertiser's accounts.

# FCA

This organization of female athletes worked hard on many projects throughout the year in order for the girls to attend a National Fellowship of Christian Athletes Conference in the summer. The girls in FCA tried hard not only to help their school team to win, but also to help God's team to win as well. The club was again sponsored by Mrs. Rose Turner.

The purpose of FCA was to confront coaches and athletes with Christian fellowship, prayer, and **Bible** study. This club differed from others in that it was not chiefly concerned with projects to earn money, but centered its activities around Jesus. Although it was religiously oriented, FCA did not stress a denomination but tried to instill a sense of importance of becoming involved in church.

PTSA was designed to involve the students at Southwood with both parents and teachers. Throughout the school year, members worked with the faculty by taking part in projects and decisions that involved students. The largest project entailed working at the PTSA Charbroil. The profits were given to the school for educational equipment. This year a giant printer was purchased.

Students attended school in the morning and were available for office jobs in the afternoon. This helped them to better understand the situations they will be faced with upon graduation. A parish-wide Employer Appreciation Banquet was held in May at the Convention Center.

Several students were selected to participate in Library Science. The course has been approved by the State Department of Education for one-half credit per semester. The qualifications were a 2.0 average, two teacher recommendations, and the approval of both librarians. Led by Mrs. Prather and Mrs. Sanders, the students were able to learn about every phase of library work.

The library and AV workers provided a valuable service to the school by assisting in various aspects of library work. The AV workers were mainly involved in the handling of audio-visual materials.

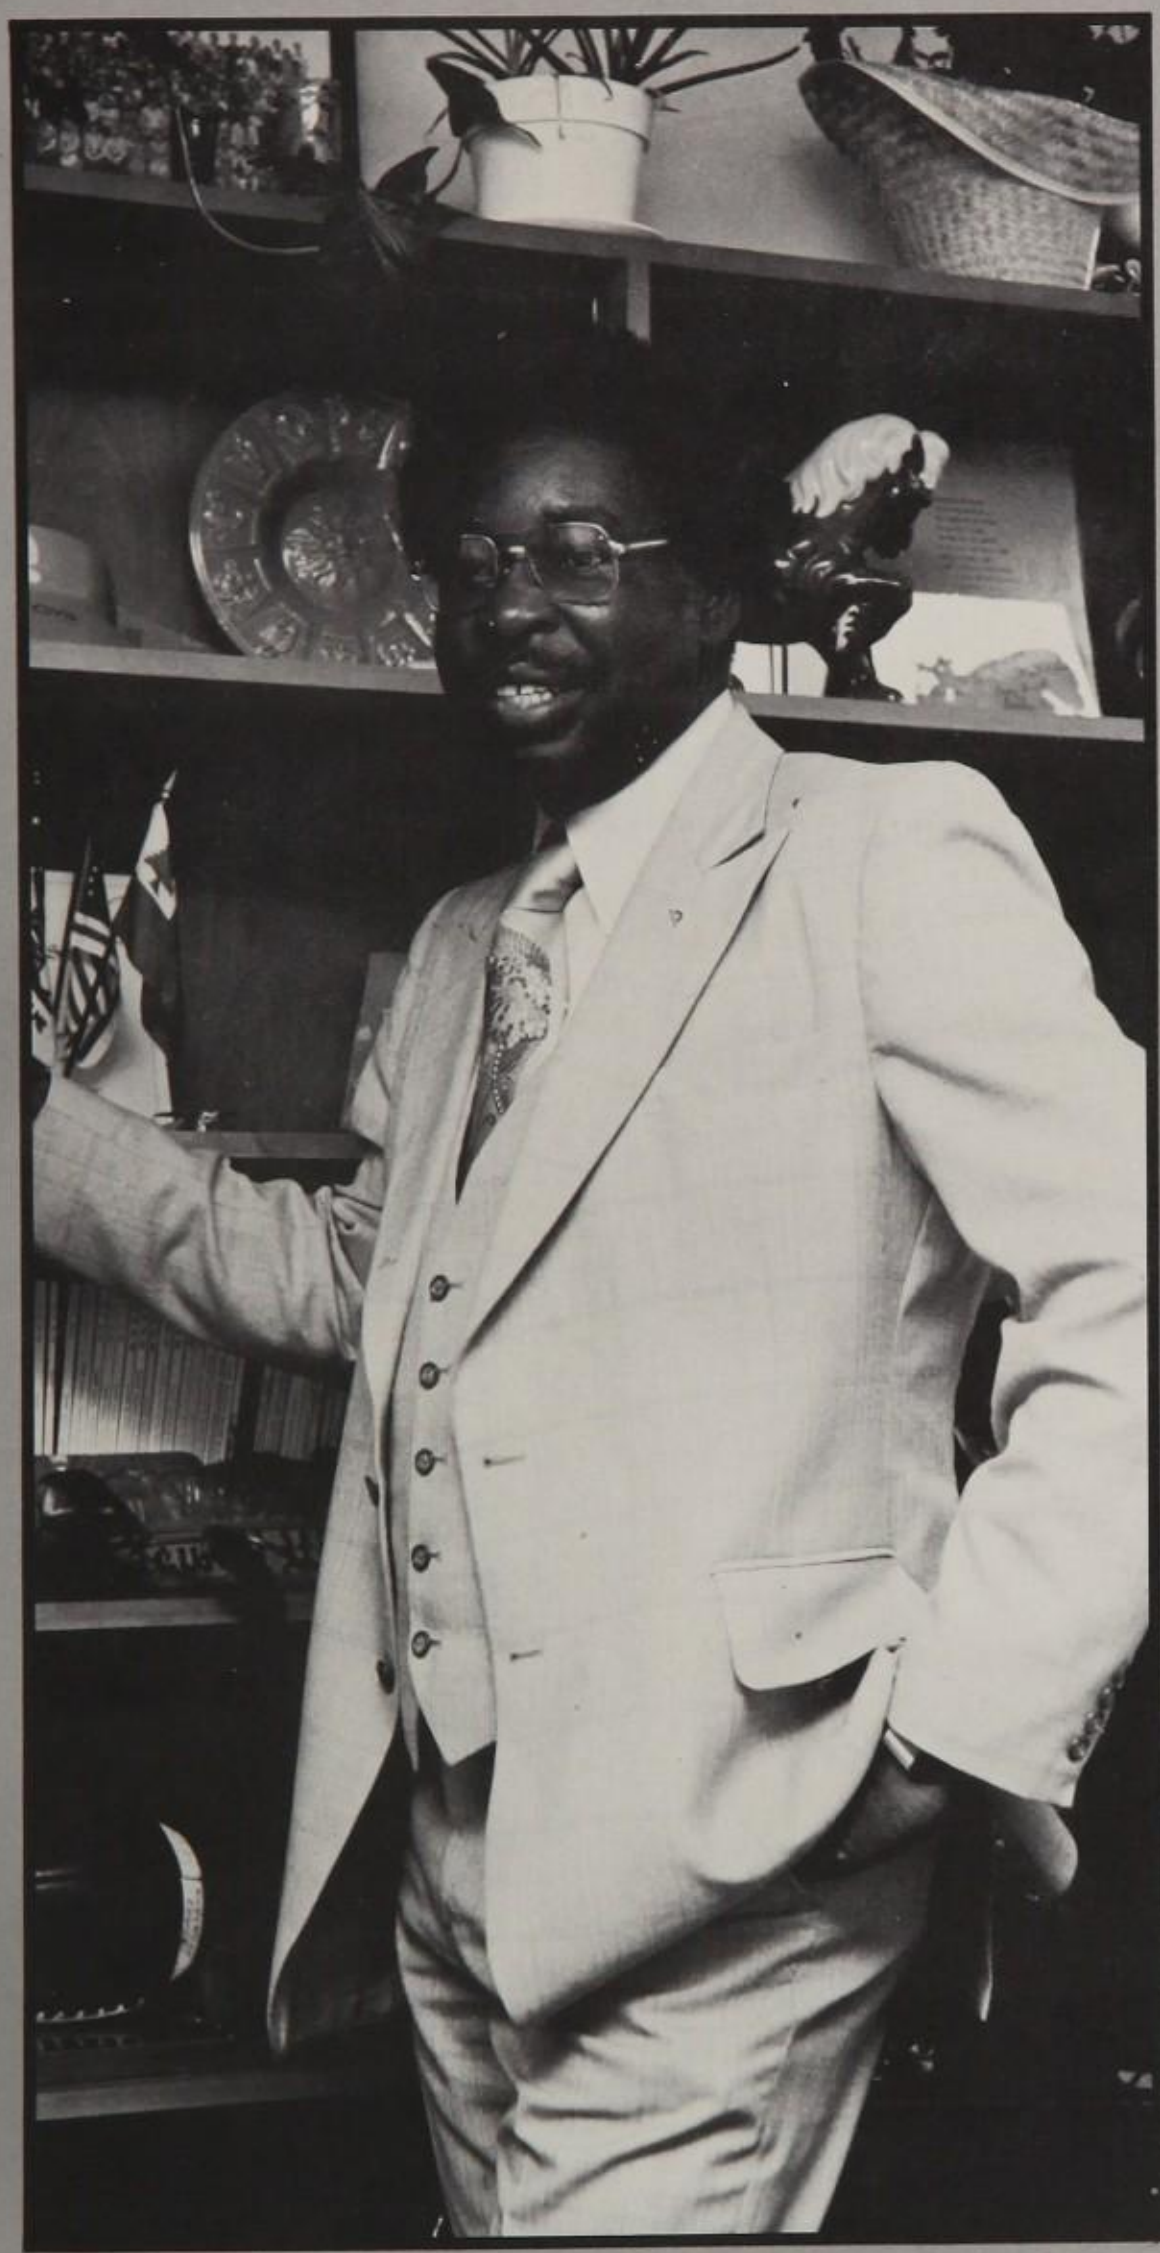
# The Many Faces of Our Leading Cowboy



Mr. Jewell Wagner returned as the Head Cowboy at Southwood this year, and he worked tirelessly to make the largest school the best school in the Shreveport-Bossier area. Overcrowding emerged as a serious problem, and to accommodate nearly 3,000 students, the administrative staff was increased, new temporary buildings were added, and a counseling complex was designed to house the counseling staff. Mr. Wagner supervised this development and continued growth of facilities at SHS. According to this man of many interests, his job brings with it many enjoyable hours. It has become a commonplace sight to observe our principal participating in the welding shop or creating in an art class. Much of Mr. Wagner's time was spent in establishing better relations between students and faculty at Southwood.

Mr. Wayne Tinsley returned as disciplinary administrator, and Mr. Grover Colvin assisted in a part time capacity. # Western Electric

To manufacture 50 million telephones in 11 years is no small feat. But, it didn't just happen. This accomplishment was the result of the dedicated efforts of the outstanding group of people who make up our work force. It is these people who made it possible. The Shreveport Works has done its job well because it gets and holds good people. Some of them, no doubt, attended Southwood. Western Electric is well aware of the fine job being done by the educational institutions in this area. These schools, and schools like them throughout the nation, have provided the educated and skilled people who make the Bell System work.

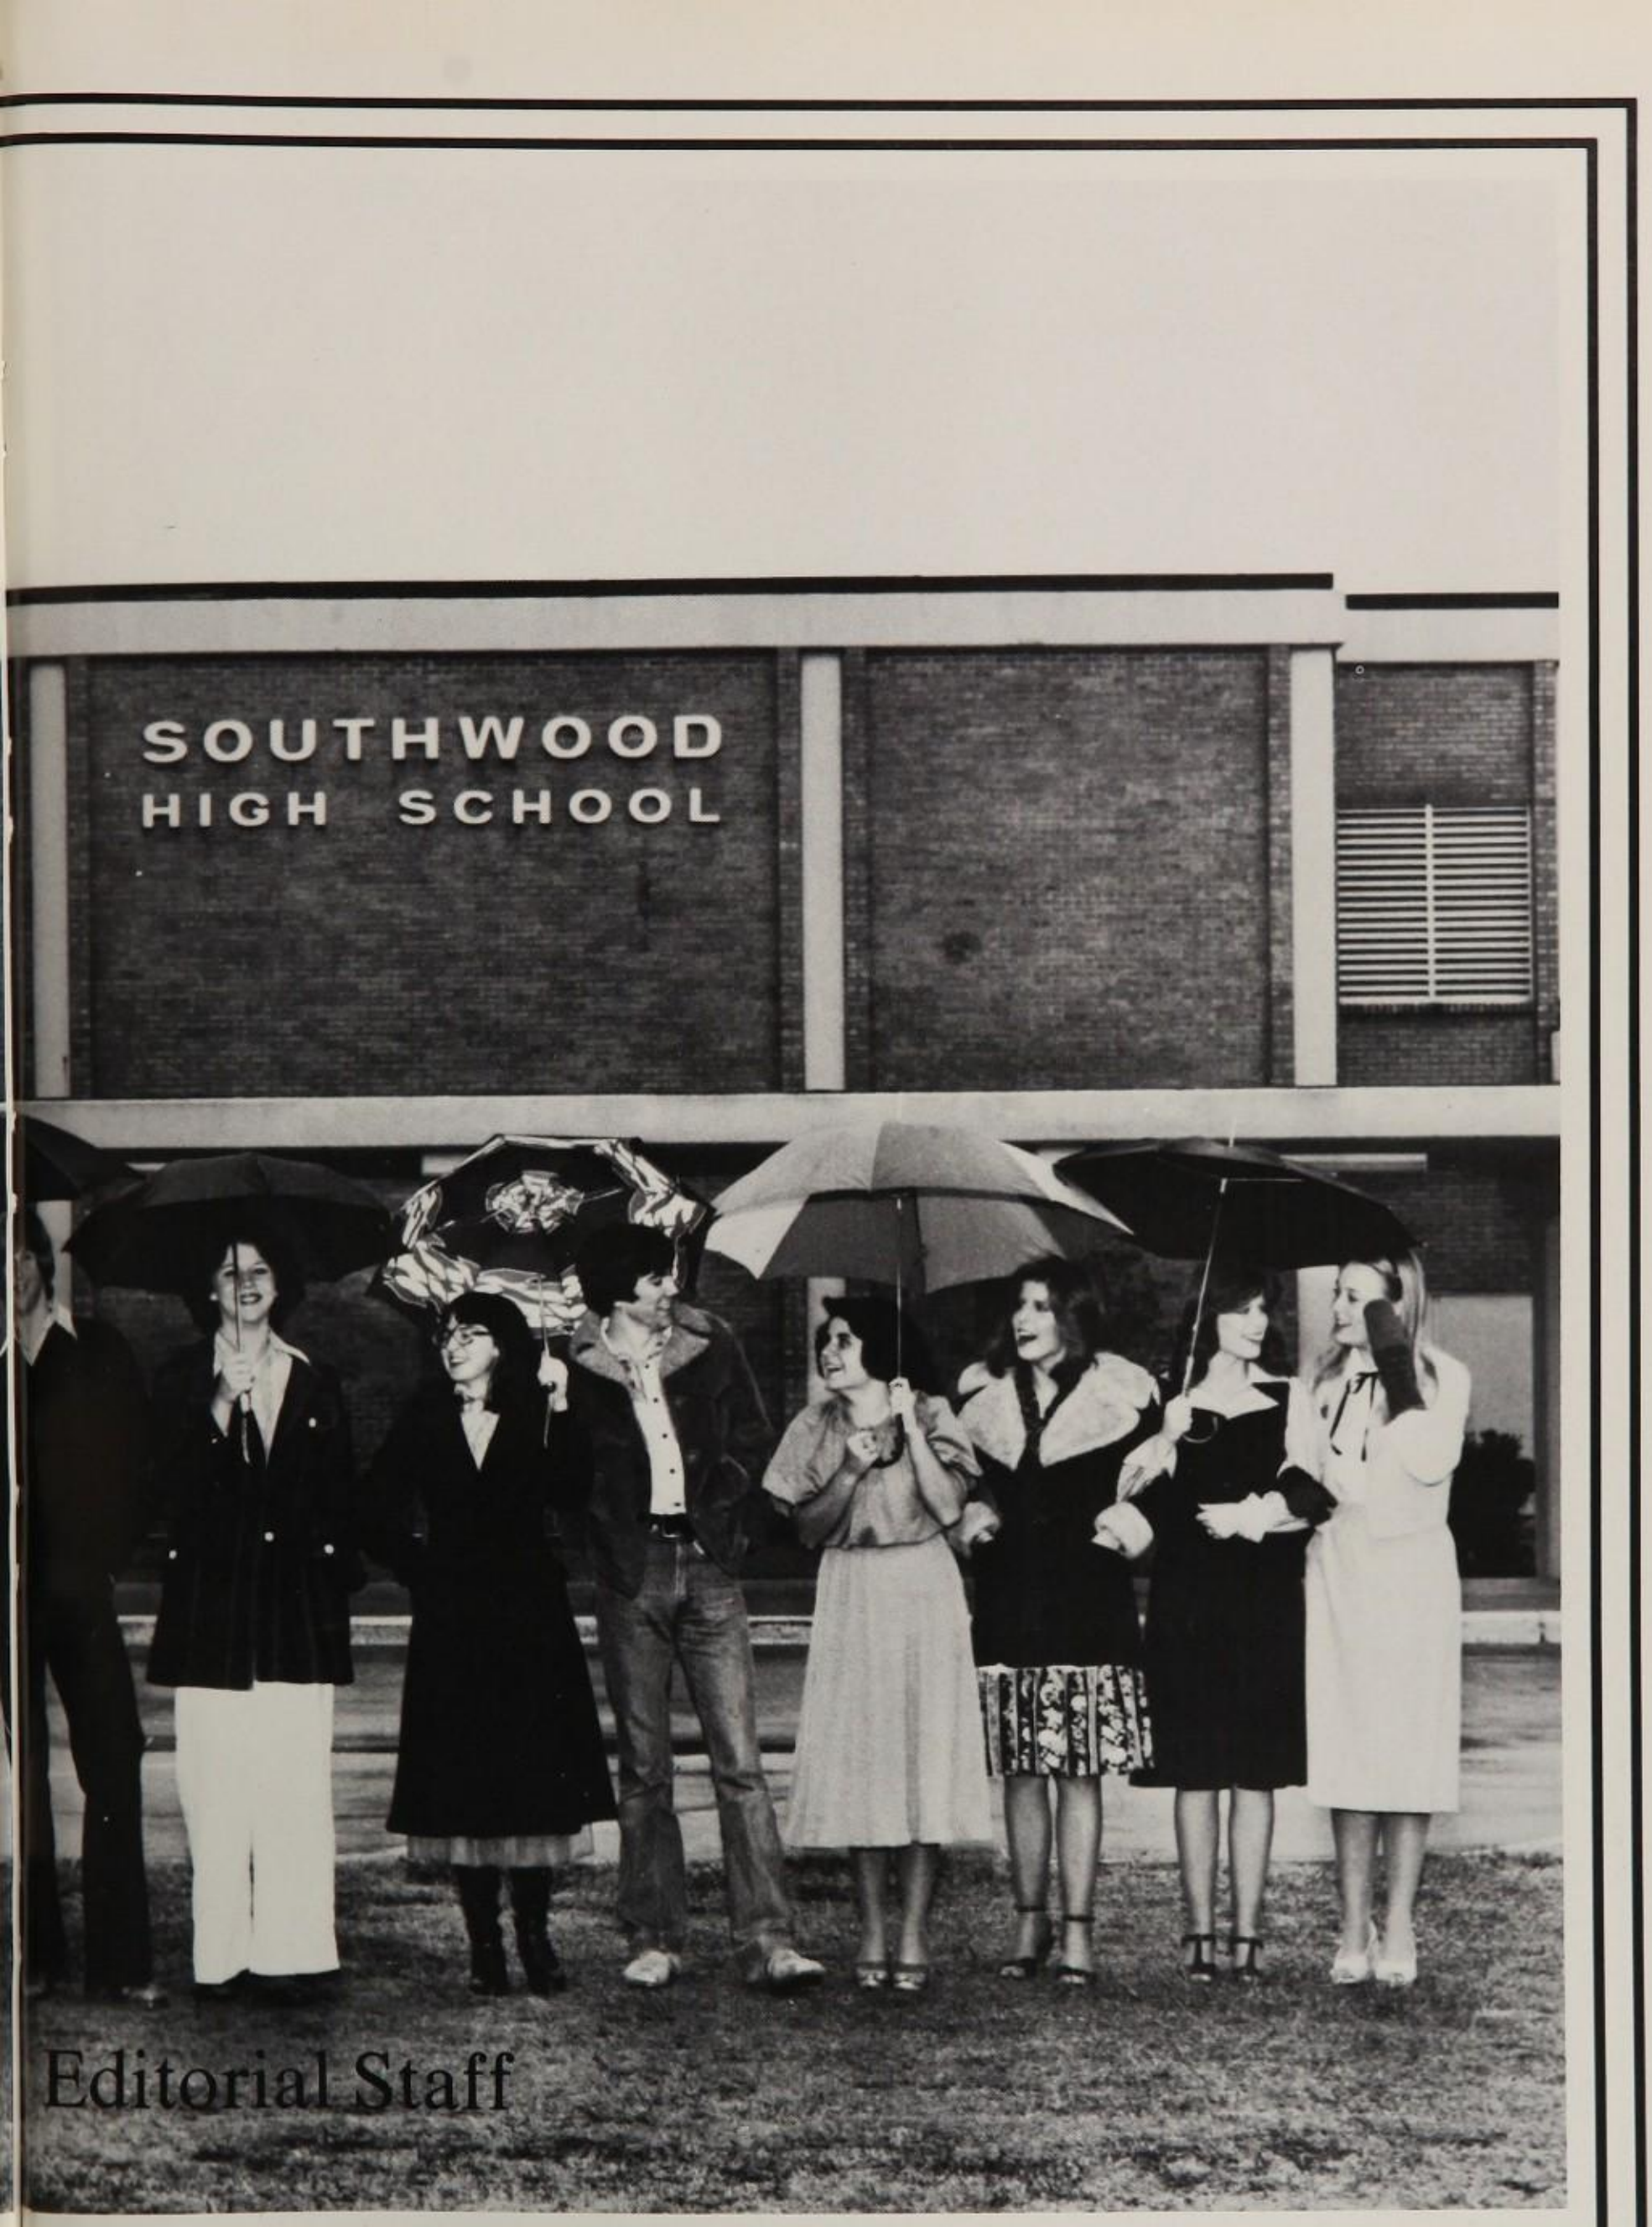
1978-79 Roundup



# Editorial Staff

The end of the 70's revived many memories, both old and new. The ROUNDUP staff has tried to present to you an accurate picture of our changing times and to capture some of the emotions they have wrought.

I would like to express my thanks to the administration, faculty, and the student body for their cooperation during the compilation of this book. I would also like to thank Miss Jane Jordan for her work with the ad and circulation staffs; Cathy Sermon, Steve Maniscalco, and Mrs. Schlidt for contributing their talents; and Heritage House of Photography for their quality photographs and helpful suggestions.

I wish to express my sincerest thanks to the ROUNDUP sponsors Mrs. Nina Morrison and Mr. E. A. Wilson for their leadership, support, and patience, and to the various staffs who helped make this yearbook possible.

Being chosen Editor was one of the highlights of my senior year. Thank you for this opportunity.
